DIRECTORS' REPORT TO THE UNIT HOLDERS

FOR THE NINE MONTHS PERIOD ENDED MARCH 31, 2023

On behalf of the Board of Directors, I am pleased to present the Financial Statements of Alfalah GHP Income Multiplier Fund (AGIMF), Alfalah GHP Cash Fund (AGCF), Alfalah GHP Islamic Stock Fund (AGISTF), Alfalah GHP Alpha Fund (AGAF), Alfalah GHP Value Fund (AGVF), Alfalah GHP Sovereign Fund (AGSOF), Alfalah GHP Income Fund (AGIF), Alfalah GHP Stock Fund (AGSTF), Alfalah GHP Money Market Fund (AGMMF), Alfalah GHP Consumer Index Exchange Traded Fund (ACIETF), Alfalah GHP Islamic Income Fund (AGIIF), Alfalah GHP Prosperity Planning Fund (AGPPF), Alfalah GHP Islamic Prosperity Planning Fund (AGIPPF), Alfalah GHP Dedicated Equity Fund (AGIDEF), Alfalah GHP Islamic Value Fund (AGIVF), Alfalah GHP Stable Return Fund (ASRF), Alfalah Islamic Rozana Aamdani Fund (AIRAF), Alfalah GHP Islamic Prosperity Planning Fund - 2 (AGIPPF - 2) and Alfalah Dedicated Equity Fund (AGDEF) for the Nine months period ended March 31, 2023.

Economy Overview

Most of the world economies are currently struggling to cope with multiyear high inflation and interest rates. Pakistan being no exception, has faced unprecedented high inflation in the last 10 months and is still suffering from high commodity prices, adjustments in utility tariffs and depreciation of the rupee which have continued to exert upward pressure on domestic prices and the floods which have caused huge supply chain issues destroying crops, human, physical, and livestock capital and has deprived many families of their assets and income. As a result, inflation for 9 months of FY23 has averaged at 27.26% YoY.

In response to rising inflation, the Central Bank has increased policy rate by a cumulative 1400bps to 21% from 7% in Sep 2021. As per MPC, there are now indications of inflation expectations plateauing, albeit at an elevated level and the latest hike has pushed the real interest rate in positive territory on a forward-looking basis. This will help anchor inflation expectations and steer inflation to the medium-term target.

As a result of depressed economic activity due to unprecedented high inflation and interest rates, curb on imports by the Central Bank, floods which have caused huge supply chain issues destroying crops, human, physical, and livestock capital, the GDP growth for FY23 is expected to be around 0.5%-1%.

The Current Account posted a deficit of \$3.86 billion for 8MFY23 as against a deficit of \$12.08 billion during the same period last year (down 68%). Persistent decline in imports is the core reason for this achievement. Remittances have declined by 11% compared to same period last year mainly because of the global recession and a gap between open market and interbank PKR/USD rates.

Foreign exchange reserves decreased by a massive USD5.6bn to USD9.8bn by end of March compared to USD15.4bn at June 30, 2022 mainly due to huge external debt repayments and Current Account deficit. Moreover, non-materialization of inflows from Multilateral agencies and friendly countries due to stalled IMF program also put pressure on the FX reserves. As a result, PKR has depreciated against the greenback by 29% to 287.85 from 204.85 at the end of last year.

Talks with IMF for review are ongoing for quite a sometime and swift resumption of the program is very critical now as reserves have depleted to historic lows. SBP reserves now stand at \$4.2bn, translating into slightly above one month of import cover based on current depressed levels of imports.

With all the necessary reforms now being implemented, including a) market based exchange rate, b) mini budget to cover shortfall in tax revenue, c) reduction in subsidies, d) increase in utility tariffs and e) hike in policy rate, we believe that the talks with IMF are in conclusive phase and staff level agreement might be reached as soon as commitments for bilateral support are received from friendly countries.

Financial Market Overview:

Fixed Income

In response to rising inflationary pressures due to continuous devaluation of PKR and adjustment in energy and utility prices, the Central Bank has hiked the policy rate by 500bps so far in this calendar year. As per MPC, there are now indications of inflation expectations plateauing, albeit at an elevated level and the latest hike has pushed the real interest rate in positive territory on a forward-looking basis.

Over the quarter, a sharp rise in secondary market yields was witnessed across the board that moved in line with expectations of rising inflation, future increase in policy rate and weakening PKR. Secondary market yields increased across all tenors as 3m, 6m and 1 year rates increased by 472bps, 411bps and 418bps respectively. Yield for 3 years and 5 years also increased by 260bps and 58bps respectively.

Equity

In 1QCY23, the benchmark index i.e. KSE-100 index slightly declined by 1% to close at 40,000, however, in USD terms, the KSE-100 index dropped by 21% as PKR depreciated against USD by 25% during the quarter. The index posted a positive return of 5% till 09-Feb-23 but it couldn't sustain the positive momentum as delay in IMF program, increased political uncertainty, unprecedented inflation and interest rates, dwindling foreign exchange reserves and depreciating PKR caused massive selling in the bourse, thus the index declined by 5.8% from the highest level achieved in mid-Feb'23.

Average daily turnover increased by 5%QoQ to 93mn shares in 1QCY23.

Technology & Communication was the top contributing sector to the index's decline, denting the index by 177 points. In addition, Food and OMCs Sectors also contributed negatively by 168 and 163 points respectively. On the flip side, Fertilizer sector contributed positively to the index by 352 points as investors preferred dividend yielding stocks as interest rates continued to increase.

The quarter saw a portfolio investment inflow of USD 8mn mainly in E&Ps (USD 11.6mn), Power (USD 1.9mn) and OMCs (USD 1.4mn). In contrast, divestment of USD5mn was recorded in Technology sector.

The Fund offers two types of units, Growth and Income. Growth unit holders are entitled to bonus units and Income unit holders are entitled to cash dividend at the time of distribution by the Fund.
- 1.4 According to the Trust Deed, the objective of the Fund is to provide a regular stream of income at competitive rate of return while preserving capital to the extent possible by investing in assets with low risk and a high degree of liquidity from a portfolio constituted mostly of money market securities and placements.
- 1.5 The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of AM2+ (stable outlook) to the Management Company on March 03, 2023 and has maintained the stability rating of the Fund at AA(f) on April 08, 2022.
- 1.6 Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.
- 1.7 During the current period, the Trust Act, 1882 has been repealed due to promulgation of provincial trust acts as empowered under the Eighteenth Amendment to the Constitution of Pakistan. Various new requirements including registration and annual renewal requirements under the relevant trust acts have been introduced. The Management Company in consultation with the MUFAP and the Trustee is currently deliberating upon the requirements of the newly enacted provincial trust acts and their implication on the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standards (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
 - Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
 - Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.
-
-

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

- 2.2 The disclosures made in these condensed interim financial statements have, however, been limited based on the requirements of the International Accounting Standard 34: 'Interim Financial Reporting'. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2022.
- 2.3 In compliance with Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at March 31, 2021.

3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ESTIMATES AND JUDGMENTS

- 3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2023.
- 3.2 The preparation of these condensed interim financial statements in conformity with the accounting and reporting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2023.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2023.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on July 1, 2020. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards, interpretations and amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting periods beginning on or after July 1, 2022, but are considered to be not relevant or will not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

Management remuneration payable	7.1	1,321,814	1,295,525
Sindh sales tax payable on management remuneration	7.2	2,133,611	1,570,887
Federal excise duty payable on management remuneration	7.3	9,810,527	9,810,527

NAV Related Expense		6,154,978	-
		<u>19,436,161</u>	<u>17,735,651</u>

- 7.1 The Management Company has charged remuneration at the rate of 0.50% (June 30, 2022: 0.21%) of the average annual net assets of the Fund. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 7.2 During the period, Sindh Sales Tax on management remuneration has been charged at the rate of 13% (June 30, 2022: 13%).
- 7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made till June 30, 2016 amounting to Rs 9.810 million has been retained in these condensed interim financial statements as the matter is pending before the Supreme Court of Pakistan. Had the said provision for FED not been recorded in these condensed interim financial statements, the net asset value per unit of the Fund as at March 31, 2023 would have been higher by Re 1.26 per unit (June 30, 2022: Rs 0.42 per unit).

9 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments as at March 31, 2023 and June 30, 2022.

10 TOTAL EXPENSE RATIO

The annualised total expense ratio (TER) of the Fund based on the current period results is 0.88% which includes 0.07% representing Government levy, Sindh Workers' Welfare Fund and the SECP Fee. This ratio is within the maximum limit of 1.25% (excluding government levies) prescribed under the NBFC Regulations for a collective investment scheme categorised as an "money market scheme".

11 TAXATION

The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains to the unit holders. The Fund is also exempt from the provisions of the section 113 (minimum tax) under clause 4A of Part IV of the Second Schedule of the Income tax Ordinance, 2001. Since the Management Company intends to distribute the income earned by the Fund for the year ending June 30, 2021 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these condensed interim financial statements.

12 EARNINGS PER UNIT (EPU)

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

15 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

		<u>56,729,502</u>	<u>27,800,282</u>

- 7.1 As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Accordingly, the Management Company has charged its remuneration variably at a range of 0.17% to 0.5%, keeping in view the overall return and the total expense ratio limit of the Fund subject to the maximum limit of 0.75% of average annual net assets as disclosed in the offering document. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 7.2 During the period, an amount of Rs. 8.11 million (June 2022: Rs 10.75 million) was charged on account of sales tax on management fee at the rate of 13% (June 2022: 13%) per annum levied through the Sindh Sales Tax on Services Act, 2011.
- 7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 11.119 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these condensed interim financial statements of the Fund, the net asset value of the Fund as at December 31, 2022 would have been higher by Re. 0.0313 (June 30, 2022: Re. 0.0384) per unit.

- 7.4 The SECP has allowed the Asset Management companies to charge selling and marketing in all categories of open-end mutual funds upto a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, the Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

- 7.5 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services accounting, operation and valuation services, related to a Collective Investment Scheme (CIS). Accordingly, the Management Company has charged allocated expenses to the Fund based on its discretion subject to not being higher than actual expense incurred.

- 8.1 The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. During the period, the Trustee has charged remuneration at the rate of 0.055% (June 30, 2022: 0.055%) per annum of average annual net assets of the Fund.
- 8.2 During the period, an amount of Rs. 1.11 million (June 30, 2022: Rs 1.83 million) was charged on account of sales tax on remuneration of Trustee at the rate of 13% (June 30, 2022: 13%) per annum levied through the Sindh Sales Tax on Services Act, 2011.

11 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at March 31, 2023 and June 30, 2022.

12 TOTAL EXPENSE RATIO

The annualised total expense ratio (TER) of the Fund based on the current period results is 0.91% (March 2022: 0.53%) which includes 0.083% (March 2022: 0.072%) representing Government levies on the Fund such as provision for sales taxes, federal excise duties, annual fee to the SECP, etc. This ratio is within the maximum limit of 2% (excluding government levies) prescribed under the NBFC Regulations for a collective investment scheme categorised as a "money market scheme".

13 TAXATION

The income of the Fund is exempt from income tax as per Clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of the Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, super tax introduced in the Finance Act, 2015 is also not applicable on funds as per section 4B of the Income Tax Ordinance, 2001.

Since the Management Company intends to distribute the required minimum percentage of income earned by the Fund for the year ending June 30, 2023 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these condensed interim financial statements, during the period.

14 EARNINGS PER UNIT

Earnings per unit (EPU) has not been disclosed in these condensed interim financial statements as, in the opinion of the management, determination of the cumulative weighted average outstanding number of units for calculating EPU is not practicable.

17 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

17.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at March 31, 2023 and June 30, 2022 the Fund held the following financial instruments measured at fair values:

	March 31, 2023 (Un-audited)

	-	1,815,139,519	-	1,815,139,519

* The valuation of commercial papers have been carried out based on amortisation to their face values / sale price as per the guidelines given in Circular 33 of 2012 since the residual maturity of these investments is less than six months and they are placed with counterparties which have high credit ratings.

** The carrying value of these securities approximate their fair value since these are short term in nature and are placed with counter parties which have high credit ratings.

During the period from July 1, 2022 to March 31, 2023, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

NOTES TO AND FORMING PART OF THE CONDENSED INTERIM
FINANCIAL INFORMATION (UN-AUDITED)
FOR THE NINE MONTHS PERIOD ENDED MARCH 31, 2023

1. LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Alfalah GHP Sovereign Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed executed under the Trust Act, 1882 between Alfalah Asset Management Limited (formerly: Alfalah GHP Investment Management Limited) (the Management Company), and Central Depository Company of Pakistan Limited (the Trustee). The Trust Deed was executed on May 6, 2014.

During the year ended June 30, 2021, the Trust Act, 1882 had been repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan. Consequently, the Fund is required to be registered under the Sindh Trust Act. Accordingly, on September 20, 2021 the abovementioned Trust Deed has been registered under the Sindh Trust Act.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standards (IAS) 34, 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies, Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

- 2.2 The disclosures made in these condensed interim financial statements have, however, been limited based on the requirements of the IAS 34: 'Interim Financial Reporting'. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2021.
- 2.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at March 31, 2023.

3. SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES AND JUDGMENTS

- 3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2023.
- 3.2 The preparation of these condensed interim financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2022.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2022.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2021. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2022. 7.1 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 18.1 million is being retained in the condensed interim financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these condensed interim financial statements of the Fund, the net asset value of the Fund as at March 31, 2023 would have been higher by Rs. 5.31 per unit (June 30, 2022: Rs. 2.87 per unit).

9. CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at March 31, 2023 and June 30, 2022.

10. TOTAL EXPENSE RATIO

The annualised total expense ratio (TER) of the Fund based on the current period results is 1.37% which included 0.3810% representing Government levies on the Fund such as provision for sales taxes, federal excise duties, annual fee to the SECP, etc. This ratio is within the maximum limit of 2.5% (excluding government levies) prescribed under the NBFC Regulations for a collective investment scheme categorised as an "income scheme".

11. TAXATION

The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of the Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Since the Management Company intends to distribute the required minimum percentage of income earned by the Fund for the year ending June 30, 2022 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these condensed interim financial statements.

12. EARNINGS PER UNIT

- 3.2 The preparation of these condensed interim financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2022.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2022.

Payable against allocated expenses		-	469,872
Selling and marketing expenses		-	389,731
		<u>11,452,097</u>	<u>12,903,368</u>

6.1 The Management Company charges fee at the rate of 10% of the gross earnings of the Scheme, calculated on a daily basis, provided that the Fund is subject to a minimum fee of 0.25% of the average daily net assets of the Scheme. The remuneration is payable to the Management Company monthly in arrears.

6.2 During the period, Sindh sales tax on management remuneration has been charged at the rate of 13% (June 30, 2022: 13%).

6.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016..

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 9.778 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these condensed interim financial statements of the Fund, the net asset value of the Fund as at March 31, 2023 would have been higher by Rs. 3.36 per unit (June 30, 2022: Rs. 0.78 per unit).

10 TOTAL EXPENSE RATIO

The annualised total expense ratio (TER) of the Fund based on the current period results is 1.43% which includes 0.13% representing Government levies on the Fund such as provision for Sindh Workers' Welfare Fund, sales taxes, federal excise duties, annual fee to the SECP, etc. The prescribed limit for the ratio is 2.5% (excluding government levies) under the NBFC Regulations for a collective investment scheme categorised as an "income scheme".

12 TAXATION

The income of the Fund is exempt from income tax as per clause 99 of part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations, requires the Fund to distribute 90% net accounting income other than capital gains to the unit holders. The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of part IV of the second schedule to the Income Tax Ordinance, 2001. Since the Management Company intends to distribute the income earned by the Fund for the year ending June 30, 2021 to the unit holders in the manner as explained above, accordingly no provision for taxation has been in these condensed interim financial statements.

- 6.1 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from June 13, 2013. As the asset management services rendered by the Management Company of the Fund are already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund, the Management Company is of the view that further levy of FED was not justified.

On September 4, 2013, a constitutional petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made till June 30, 2016 amounting to Rs 11.440 million is being retained in the condensed interim financial information of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the provision for FED not been recorded in the condensed interim financial information of the Fund, the net asset value of the Fund as at March 31, 2023 would have been higher by Re 0.176 per unit (June 30, 2022: Re 5.6894 per unit).

2.1.1 These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Accounting Standards (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

2.1.2 The disclosures made in these condensed interim financial statements have, however, been limited based on the requirements of the International Accounting Standard 34: 'Interim Financial Reporting'. 3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ESTIMATES AND JUDGMENTS

3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2022.

3.2 The preparation of these condensed interim financial statements in conformity with the approved accounting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2022.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2022.

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

5.1.1 The Finance Act, 2014 introduced amendments to the Income Tax Ordinance 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were only to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 Part I to the Second Schedule of the Income Tax Ordinance 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

During the year ended June 30, 2018, the Supreme Court of Pakistan passed a judgement on June 27, 2018 whereby the suits which were already pending or were to be filed in future could only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities was deposited with the authorities. Accordingly, the CISs were required to pay minimum 50% of the tax calculated by the tax authorities for the case to continue. The CISs failed to deposit the minimum 50% of the tax liability and accordingly the stay got vacated automatically. The CISs have filed a fresh constitutional petition via CP 4653 dated July 11, 2019 and on July 15, 2019, the Honourable High Court of Sindh has issued notices to the relevant parties and has ordered that no third party interest on bonus shares issued to the Funds in lieu of their investments be created in the meantime. The matter is still pending adjudication and the Funds have included these shares in their portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

The Finance Act, 2018 effective from July 1, 2018 has omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. Therefore, bonus shares issued to the Fund during the period were not withheld by the investee companies.

As at March 31, 2023, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of the bonus shares.

6.1 The Management Company has charged remuneration at a rate of 1.75% of the average annual net assets of the Fund, calculated on a daily basis. The remuneration is paid to the Management Company on a monthly basis in arrears.

6.2 The Management Company has charged performance fee on out-performance of the Fund over the hurdle rate as defined in the offering document.

6.3 During the period, Sindh Sales Tax on management remuneration and performance fee has been charged at the rate of 13% (June 30, 2022: 13%).

-
-
- 6.4** The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made prior to this period has been maintained by the Fund which at March 31, 2023 aggregates to Rs 0.4764 million (June 30, 2022: Rs 0.3971 million).

- 6.5** In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

During the period, the Management Company has charged such expenses to the Fund at the rate of 0.1% (June 30, 2022: 0.1%) of the average net assets of the Fund which has been approved by the board of directors.

- 6.6** In accordance with the SECP's circular 11 dated July 5, 2019 the asset management companies are allowed to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) subject to the maximum limit approved by the board of directors as part of the annual plan.

Accordingly, the Management Company has charged selling and marketing expenses to the Fund during the period based on the annual plan approved by the board of directors for charging such expenses to the funds under the management of the Management Company.

7 PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay annual fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2019, the SECP vide SRO No. 685(I)/2019 dated June 28, 2019 has revised the rate of annual fee to 0.02% of net assets, applicable on all categories of CISs. Previously, the rate of annual fee applicable to Alpha fund was 0.095%. Accordingly, the Fund has charged SECP Fee at the rate of 0.02% of net assets during the current period.

7.1 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from June 13, 2013. As the asset management services rendered by the Management Company of the Fund are already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund, the Management Company is of the view that further levy of FED was not justified.

On September 4, 2013, a constitutional petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 01, 2016. However, as a matter of abundant caution the provision for FED made till June 30, 2017 amounting to Rs.10.130 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the provision for FED not been recorded in the financial statements of the Fund, the net asset value of the Fund as at March 31, 2023 would have been higher by Re.0.81 per unit (June 30, 2022: Re 0.69 per unit).

2 BASIS OF PREPARATION

2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Accounting Standards (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

- 2.2 The disclosures made in these condensed interim financial statements have, however, been limited based on the requirements of the International Accounting Standard 34: 'Interim Financial Reporting'. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2022.
- 2.3 In compliance with Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at March 31, 2023.

3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ESTIMATES AND JUDGEMENTS

- 3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2022.
- 3.2 The preparation of these condensed interim financial statements in conformity with the accounting and reporting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2022.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2022.

3.3 Standards and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

5.1.1 The Finance Act, 2014 introduced an amendment to the Income Tax Ordinance 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were only to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 Part I to the Second Schedule of the Income Tax Ordinance 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

During the year ended June 30, 2018, the Supreme Court of Pakistan passed a judgement on June 27, 2018 whereby the suits which are already pending or shall be filed in future must only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities is deposited with the authorities. Accordingly, the CISs were required to pay minimum 50% of the tax calculated by the tax authorities for the case to remain continued. The CISs failed to deposit the minimum 50% of the tax liability and accordingly the stay got vacated automatically. The CISs have filed a fresh constitutional petition via CP 4653 dated July 11, 2019 and, on July 15, 2019, the Honourable High Court of Sindh has issued notices to the relevant parties and has ordered that no third party interest on bonus shares issued to the Funds in lieu of their investments be created in the meantime. The matter is still pending adjudication and the Funds have included these shares in their portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

The Finance Act, 2018 effective from July 1, 2018 has omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. Therefore, bonus shares issued to the Fund during the period were not withheld by the investee companies.

As at March 31, 2023, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of the bonus shares.

		<u>14,899,649</u>	<u>25,664,874</u>

6.1 The Management Company has charged remuneration at the rate of 2% per annum based on the average daily net assets of the Fund. The amount of remuneration is being paid monthly in arrears.

6.2 During the period, Sindh Sales Tax on management remuneration has been charged at the rate of 13% (2022: 13%).

6.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 5.412 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the provision not been made, the Net Asset Value per unit of the Fund would have been higher by Re 0.15 (June 30, 2022: Re 0.14) per unit.

6.4 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

During the period, the Management Company has charged such expenses to the Fund at the rate of 0.1 % (June 30, 2022: 0.1 %) of the average net assets of the Fund which has been approved by the board of directors.

- 6.5 In accordance with the SECP's circular 11 dated July 5, 2019 the asset management companies are allowed to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) subject to the maximum limit approved by the board of directors as part of the annual plan.

During the current period, the Management Company has charged selling and marketing expenses to the Fund based on its own discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

9 TOTAL EXPENSE RATIO (TER)

10 TAXATION

The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains to the unit holders. The Fund is also exempt from the provisions of the section 113 (minimum tax) under clause 4A of Part IV of the Second Schedule of the Income tax Ordinance, 2001. Since the Management Company intends to distribute the income earned by the Fund for the year ending June 30, 2023 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these condensed interim financial statements.

11 EARNINGS PER UNIT (EPU)

5.1.2 The Finance Act, 2014 introduced amendments to the Income Tax Ordinance 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were only to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 Part I to the Second Schedule of the Income Tax Ordinance 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

On June 27, 2018, the Supreme Court of Pakistan passed a judgement whereby the suits which were already pending or were to be filed in future could only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities was deposited with the authorities. Accordingly, the CISs were required to pay minimum 50% of the tax calculated by the tax authorities for the case to continue. The CISs failed to deposit the minimum 50% of the tax liability and accordingly the stay got vacated automatically. The CISs have filed a fresh constitutional petition via CP 4653 dated July 11, 2019 and on July 15, 2019, the Honourable High Court of Sindh has issued notices to the relevant parties and has ordered that no third party interest on bonus shares issued to the Funds in lieu of their investments be created in the meantime. The matter is still pending adjudication and the Funds have included these shares in their portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

Furthermore, the Finance Act, 2018 effective from July 1, 2018 has omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. Therefore, bonus shares issued to the Fund since July 1, 2018 have not been withheld by the investee companies.

As at March 31, 2023, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of bonus shares.

- 6.1** As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 151 and 150. However, during the period ended December 31, 2021, withholding tax on dividend and profit on debt paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other asset management companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund has been shown as other receivables as at December 31, 2022 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

16 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

- 16.1 The investments of the Fund in debt securities are valued on the basis of rates determined by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by SECP for valuation of debt securities. In the determination of the rates MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The investments of the Fund in government securities are valued on the basis of rates announced by the Financial Markets Association of Pakistan. The investment of the Fund in equity securities is valued on the basis of rates quoted on Stock Exchange. The estimated fair values of all other financial assets and liabilities are considered not to be significantly different from carrying values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

As at 31 March 2023 and 30 June 2022, the Fund held the following financial instruments measured at fair values:

2. BASIS OF PREPARATION

2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan comprise of:

- International Accounting Standards (IAS) 34, 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and

-
-
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIII A of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the requirements of IAS 34: 'Interim Financial Reporting'. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2022.

- 2.2 The disclosures made in these condensed interim financial statements have, however, been limited based on the requirements of the IAS 34: 'Interim Financial Reporting'. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2022.
- 2.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at March 31, 2021.

3. SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ESTIMATES AND JUDGEMENTS

- 3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2022.
- 3.2 The preparation of these condensed interim financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2022.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2022.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2021. However, these will not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

- 6.1** As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rate of 1% (June 30, 2022: 1%) per annum of the average net assets of the Fund during the period ended March 31, 2023. The remuneration is payable to the Management Company monthly in arrears.
- 6.2** During the period, Sindh sales tax on management remuneration has been charged at the rate of 13% (June 30, 2022: 13%).
- 6.3** The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from June 13, 2013. As the asset management services rendered by the Management Company of the Fund are already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund, the Management Company is of the view that further levy of FED was not justified.

On September 04, 2013, a constitutional petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from July 01, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 01, 2016. However, as a matter of abundant caution the provision for FED made till June 30, 2016 amounting to Rs 0.023 million is being retained in these condensed interim financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the provision for FED not been recorded in these condensed interim financial statements of the Fund, the net asset value of the Fund as at March 31, 2023 would have been higher by Re. 0.012 (June 30, 2022: Re. 0.0031) per unit, Re. 0.0036 (June 30, 2022: Re. 0.0037) per unit and Re. 0.0329

(June 30, 2022: Re. 0.0062) per unit per unit for Active Allocation Plan, Conservative Allocation Plan and Moderate Allocation Plan respectively.

- 6.4 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS). The Management Company based on its own discretion has currently fixed a maximum capping of 0.1% (June 30, 2022: 0.1%) of the average annual net assets of the scheme for allocation of such expenses to the Fund.

Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains to the unit holders. The Fund is also exempt from the provisions of the section 113 (minimum tax) under clause 4A of Part IV of the Second Schedule of the Income tax Ordinance, 2001.

Since the Management Company intends to distribute the required minimum percentage of income earned by the Fund for the year ending June 30, 2021 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these condensed interim financial statements.

14. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradeable in an open market are revalued at market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

15. CORRESPONDING FIGURES

Corresponding figures have been reclassified and rearranged, wherever necessary, for the purpose of comparison and better presentation. No significant rearrangements or reclassifications have been made in these condensed interim financial statements during the current period.

16. GENERAL

16.1 Figures have been rounded off to the nearest Pakistani Rupee.

17. DATE OF AUTHORISATION FOR ISSUE

6 DEFERRED FORMATION COST

This represents expenses incurred on the formation of the Fund. The offering document of the Fund, approved by the Securities and Exchange Commission of Pakistan, permits the deferral of the cost over a period not exceeding five years. Accordingly the said expenses are being amortised over a period of five years effective from June 11, 2016, i.e. after the end of initial period of the Fund. Formation cost is divided amongst the allocation plans according to the ratios of their Pre-IPO investments.

- 7.1 The Management Company has charged remuneration at a rate of 1.25% of the average annual net assets of the Fund during the year. However, no remuneration is charged on that part of the net assets which has been invested in the mutual funds managed by the Management Company. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 7.2 During the period, Sindh sales tax on management remuneration has been charged at the rate of 13%. (June 30, 2022: 13%).
- 7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from June 13, 2013. As the asset management services rendered by the Management Company of the Fund are already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund, the Management Company is of the view that further levy of FED was not justified.

On September 4, 2013, a constitutional petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from July 01, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made till June 30, 2016 amounting to Rs 0.08 million and Rs 0.08 million for Moderate Allocation Plan and Balanced Allocation Plan is being retained in these condensed interim financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the provision for FED not been recorded in these condensed interim financial statements of the Fund, the net asset value of the Fund as at March 31, 2023 would have been higher by Re. 0.13 (June 30, 2022: Re 0.13) per unit and Re. 0.02 (June 30, 2022: Re 0.05) per unit for Moderate Allocation Plan and Balanced Allocation Plan respectively.

- 7.4 In accordance with Regulation 60 of the NBFC regulations the Management Company has charged accounting and operational expenses at the rate of 0.1% of the average net assets of the Fund being lower than actual expenses chargeable to the Fund for the period.

- 3.2** The preparation of the condensed interim financial statements in conformity with accounting and reporting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2022.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2022.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2023. However, these are not expected to have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

- 5.1.1** The Finance Act, 2014 introduced amendments to the Income Tax Ordinance 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were only to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 Part I to the Second Schedule of the Income Tax Ordinance 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

During the year ended June 30, 2018, the Supreme Court of Pakistan passed a judgement on June 27, 2018 whereby the suits which were already pending or were to be filed in future could only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities was deposited with the authorities. Accordingly, the CISs were required to pay minimum 50% of the tax calculated by the tax authorities for the case to continue. The CISs failed to deposit the minimum 50% of the tax liability and accordingly the stay got vacated automatically. The CISs have filed a fresh constitutional petition via CP 4653 dated July 11, 2019 and, on July 15, 2019, the Honourable High Court of Sindh has issued notices to the relevant parties and has ordered that no third party interest on bonus shares issued to the Funds in lieu of their investments be created in the meantime. The matter is still pending adjudication and the Funds have included these shares in their portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

Further, the Finance Act, 2018 effective from July 1, 2018 has omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. Therefore, bonus shares issued to the Fund during the period were not withheld by the investee companies, except for bonus / right on shares already withheld by the investee companies.

As at March 31, 2023, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of the bonus shares.

16 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradeable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

16.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2022 and June 30, 2022 the Fund held the following financial instruments measured at fair value:

March 31, 2023 (Un-audited)				
	Level 1	Level 2	Level 3	Total

Investments 'at fair value through profit or loss'				
Listed equity securities	55,188,535	-	-	55,188,535

Exchange traded fund	2,257,920	-	-	2,257,920
	161,569,525	-	-	161,569,525

During the period ended March 31, 2023, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradeable in an open market are revalued at market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

15 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted price (unadjusted) in an active market for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at March 31, 2023 and June 30, 2022 the Fund held the following financial instruments measured at fair value:

17 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

17.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at March 31, 2023, the Fund held the following financial instruments measured at fair values:

-----March 31, 2023-----				
	Level 1	Level 2	Level 3	Total
At fair value through profit or loss	----- (Rupees) -----			
Investment in Listed equity securities	39,716,274	-	-	39,716,274
	<u>39,716,274</u>	<u>-</u>	<u>-</u>	<u>39,716,274</u>
-----June 30, 2022-----				
	Level 1	Level 2	Level 3	Total
At fair value through profit or loss	----- (Rupees) -----			
Investment in Listed equity securities	54,485,772	-	-	54,485,772
	<u>54,485,772</u>	<u>-</u>	<u>-</u>	<u>54,485,772</u>

During the period from July 1, 2022 to March 31, 2023, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

18 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's overall risk management programme seeks to maximise the returns derived for the level of risks to which the Fund is exposed and seeks to minimise potential adverse effects on the Fund's financial performance.

Risks of the Fund are being managed by the Fund manager in accordance with the approved policies of the Investment Committee which provides broad guidelines for management of risk pertaining to market risks (including price risk and profit rate risk), credit risk and liquidity risk. Further, the overall exposure of the Fund complies with the NBFC Regulation, and the directives issued by the SECP.

18.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the SECP.

Market risk comprises of three types of risks: currency risk, profit rate risk and price risk.

18.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. At present, the Fund has no exposure to currency risk as there are no financial assets or financial liabilities denominated in foreign currencies.

18.1.2 Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. As of December 31, 2022, the Fund is exposed to such risk on its balances held with banks and Market treasury bills. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

The Fund is exposed to cash flow interest rate risk for balances in savings accounts on which interest rate is 14.50% per annum.

In case of 100 basis points increase / decrease in interest rates on December 31, 2022, with all other variables held constant, the net income for the period and the net assets would have been higher / lower by Rs. 3,146 for ASRP - I and by Rs. 35,228 for ASRP - II.

b) Sensitivity analysis for fixed rate instruments

The Fund's fixed rate risk arises from investment in Market treasury bills. As of December 31, 2022, in case of 100 basis points increase / decrease in interest rates, with all other variables held constant, the net income for the period and the net assets would have been higher / lower by Rs. 10.29 million for ASRP - I and Rs 8.73 million for ASRP - II.

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of December 31, 2022 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at December 31, 2022 can be determined as follows:

18.3 Credit risk

18.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. Credit risk arising on the debt instruments is mitigated by investing in rated instruments or instruments issued by rated counterparties of credit ratings of at least investment grade by the recognised rating agencies. The table below analyses the Fund's maximum exposure to credit risk:

	December 31, 2022	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk

The maximum exposure to credit risk before any enhancement as at December 31, 2022 is the carrying amount of the financial assets. Investment in government securities, however, are not exposed to credit risk and have been excluded from the above analysis as these are guaranteed by the Government of Pakistan.

18.3.2 Credit quality of financial assets

The Fund's significant credit risk arises mainly on account of its balances with banks and profit accrued on bank balances.

The credit rating profile of balances with banks and profit accrued on bank balances are as follows:

Alfalah Stable Return Plan - I

Bank balances and accrued profit

Banks	Rating agency	Rating (Short Term / Long Term)
Bank Alfalah Limited	PACRA	A1+ / AA+
Allied Bank Limited	PACRA	A1+ / AAA
Alfalah Stable Return Plan - II		
Bank Alfalah Limited	PACRA	A1+ / AA+
Allied Bank Limited	PACRA	A1+ / AAA

18.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial assets is mainly held with credit worthy counterparties thereby mitigating any credit risk. Further investments in Market treasury bills are not exposed to credit risk.

19 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. The amount of net assets attributable to unit holders can change significantly on a daily basis as the Fund is subject to daily issuance and redemptions at the discretion of unit holders. These unit holders of the Fund are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the Statement of Movement in Unit Holders' Fund.

The Fund's objectives when managing unit holders' fund are to safeguard the Fund's ability to continue as a going concern in order to provide returns for the benefits of the unit holders to maintain a strong base of assets to support the development of the investment activities of the Fund and to meet unexpected losses or opportunities. As required under the NBFC Regulations, every open end scheme shall maintain minimum fund size (i.e. net assets of the Fund) of Rs. 100 million at all times during the life of scheme. In order to comply with the requirement and to maintain or adjust the Unit Holders' Fund, the Fund's policy is to monitor the level of daily issuance and redemptions relative to the liquid assets and adjust the amount of distributions the Fund pays to the unit holders and to redeem and issue units in accordance with the constitutive documents of the Fund which includes the Fund's ability to restrict redemptions.

The Fund manager, Investment Committee members and the Chief Executive Officer of the Management Company critically track the movement of 'Assets under Management'. The Board of Directors is updated regarding key performance indicators such as yield and movement of NAV and total Fund size at the end of each quarter.

The Fund has maintained and complied with the requirements of minimum fund size during the current period.

20 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at market prices prevailing on the date of the condensed interim statement of assets and liabilities. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

21 GENERAL

21.1 Figures have been rounded off to the nearest Pakistani rupee.

- 1.6 These are the first condensed interim financial statements of the Fund for the period from November 28, 2022 to March 31, 2023 therefore, comparative figures have not been included.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

- 2.2 This condensed interim financial information is unaudited. However, a limited scope review has been performed by the statutory auditors. In compliance with schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at March 31, 2023.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2023. However, these are not expected to have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

2.4 Amendments to the published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

2.5 Critical accounting estimates and judgments

The preparation of the condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan requires the management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates, judgments and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgments that have a significant effect on these condensed interim financial statements of the Fund relate to classification, valuation and impairment of financial instruments (note 3.2)

2.6 Functional and presentation currency

Items included in these condensed interim financial statements are measured using the currency of the primary economic environment in which the Fund operates. These condensed interim financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, ACCOUNTING ESTIMATES, JUDGEMENTS AND RISK MANAGEMENT POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below.

3.1 Cash and cash equivalents

These comprise balances with banks in savings and current accounts, cheques in hand and other short-term highly liquid investments with original maturities of three months or less.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.2 Classification and subsequent measurement

a) Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All equity investments are required to be measured in the "Statement of Assets and Liabilities" at fair value, with gains and losses recognised in the "Income Statement", except where an irrevocable election has been made at the time of initial recognition to measure the investment at FVOCI. The management considers its investment in equity securities being managed as a group of assets and hence has classified them as FVPL. Accordingly, the irrevocable option has not been considered.

The dividend income for equity securities classified under FVPL is recognised in the Income Statement.

Since all investments in equity instruments have been designated as FVPL, the subsequent movement in the fair value of equity securities is routed through the Income Statement.

b) Other financial assets

These are recognised initially at the amount of consideration that is unconditional, unless they contain significant financing components when they are recognised at fair value. They are subsequently measured at amortised cost using the effective interest method, less impairment.

3.2.3 Impairment

The Fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets carried at amortised cost and FVOCI. The Fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

3.2.5 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all the risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

3.3 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the period end.

3.7 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receive redemption applications during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.10 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement, on the date when the transaction takes place.
- Unrealised gains / (losses) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise.
- Dividend income is recognised when the Fund's right to receive the same is established i.e. on the commencement of date of book closure of the investee company / institution declaring the dividend.
- Profit on balances with banks is recognised on a time proportion basis using the effective yield method.

3.11 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company, Trustee and annual fee of SECP are recognised in the Income Statement on an accrual basis.

3.12 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over a period of 5 years in accordance with the requirements set out in the Trust Deed of the Fund.

3.13 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on substantively enacted tax rates.

3.14 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / loss for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

مقررہ آمدنی

پاکستانی روپیہ کی مسلسل قدر میں کمی اور توانائی اور یٹیلیٹی کی قیمتوں میں ایڈجسٹمنٹ کی وجہ سے بڑھتے ہوئے افراط زر کے دباؤ کے جواب میں، مرکزی بینک نے اس کیلنڈر سال میں اب تک پالیسی ریٹ میں 500bps کا اضافہ کیا ہے۔ MPC کے مطابق، اب افراط زر کی توقعات کی سطح بلند ہونے کے اشارے مل رہے ہیں، اگرچہ ایک بلند سطح پر ہے اور تازہ ترین اضافے نے مستقبل کی بنیاد پر مثبت علاقے میں حتمی شرح سود کو مزید بڑھا دیا ہے۔

سامی کے دوران، ثانوی مارکیٹ کی پیداوار میں تیزی سے اضافہ دیکھنے میں آیا جو کہ بڑھتی ہوئی افراط زر، پالیسی کی شرح میں مستقبل میں اضافے اور پاکستانی روپیہ کے کمزور ہونے کی توقعات کے مطابق تھا۔ ثانوی مارکیٹ کی پیداوار میں تمام مدتوں میں اضافہ ہوا کیونکہ 3 ماہ، 6 ماہ اور 1 سال کی شرحوں میں بالترتیب 472bps، 411bps اور 418bps کا اضافہ ہوا۔ 3 سال اور 5 سالوں کے لیے پیداوار میں بھی بالترتیب 260bps اور 58bps کا اضافہ ہوا۔

انڈیکس

1QCY23 میں، شیئرز انڈیکس یعنی KSE-100 انڈیکس میں قدرے 1% کی کمی واقع ہو کر 40,000 پر بند ہوئی، تاہم، امریکی ڈالر کے لحاظ سے KSE-100 انڈیکس میں 21% کی کمی واقع ہوئی کیونکہ پاکستانی روپیہ کی قدر میں امریکی ڈالر کے مقابلے میں سامی کے دوران، 25% کی کمی واقع ہوئی۔ انڈیکس نے 09 فروری 23 تک 5% کی مثبت ریزن درج کی لیکن یہ مثبت رفتار کو برقرار نہیں رکھ سکا کیونکہ IMF پروگرام میں تاخیر، سیاسی غیر یقینی صورتحال، نئے مثال افراط زر اور شرح سود میں اضافہ، غیر ملکی زرمبادلہ کے ذخائر میں کمی اور پاکستانی روپیہ کی قدر میں کمی نے بڑے پیمانے پر فروخت کا باعث بنا۔ اس طرح انڈیکس میں فروزی 23 کے وسط میں حاصل کی گئی بلند ترین سطح سے 5.8 فیصد کمی واقع ہوئی۔ 1QCY23 میں اوسط یومیہ کاروبار QoQ سے 93mm شیئرز تک زیادہ ہو گیا۔

ٹیکنالوجی اینڈ کمیونیکیشن انڈیکس میں کمی کا سب سے بڑا حصہ تھا، جس نے انڈیکس کو 177 پوائنٹس تک گرا دیا۔ اس کے علاوہ، خوردگ اور اوایم سی ٹکنالوجی کے بھی بالترتیب 168 اور 163 پوائنٹس کی منفی شرکت کی۔ دوسری طرف، فرنیچر، ریکلنڈر انڈیکس میں 352 پوائنٹس کا مثبت حصہ ڈالا کیونکہ سود کی شرح میں مسلسل اضافہ ہونے کے باعث سرمایہ کاروں نے منافع حاصل کرنے والے اسٹاک کو ترجیح دی۔ اس سے سامی میں بنیادی طور پر E&P (11.6mm امریکی ڈالر)، پاور (1.9mm امریکی ڈالر) اور OMCs (1.4mm امریکی ڈالر) میں 8mm امریکی ڈالر کی پورٹ فولیو سرمایہ کاری کا بہاؤ دیکھا گیا۔ اس کے برعکس ٹیکنالوجی کے شعبے میں 5mm امریکی ڈالر کی سرمایہ کاری درج کی گئی۔

معاشی جائزہ

دنیا کی زیادہ تر معیشتیں اس وقت کئی سال کی بلند افراط زر اور شرح سود سے نمٹنے کے لیے کوشاں ہیں۔ پاکستان بھی اس سے مستثنیٰ نہیں ہے، پیچھے 10 مہینوں میں شدید بلند افراط زر کا سامنا کرنا پڑا ہے اور وہ اب بھی اشیاء کی زیادہ قیمتوں، یوٹیلٹی ٹیرف میں ایڈجسٹمنٹ اور روپے کی قدر میں کمی کا شکار ہے جس نے مقامی قیمتوں پر مسلسل دباؤ ڈالا ہے اور سیلاب جس کی وجہ سے بہت بڑا نقصان ہوا ہے۔ سپلائی چین کے مسائل، فصلوں، انسانی، جہاسی، اور موسمیاتیوں کے سہ ماہی کو تباہ کر رہے ہیں اور بہت سے خاندانوں کو ان کے اثاثوں اور آمدنی سے محروم کر دیا ہے۔ نتیجتاً، مالی سال 23 کے 9 ماہ کے لیے افراط زر کی اوسط 27.26 فیصد سالانہ رہی۔

برصغیر ہونے والی مہنگائی کے جواب میں، مرکزی بینک نے ستمبر 2021 میں پالیسی ریٹ کو مجموعی طور پر 1400bps زیادہ کر کے 7% سے بڑھا کر 21% کر دیا ہے۔ MPC کے مطابق، اب افراط زر کی توقعات کی سطح بلند ہونے کے اشارے مل رہے ہیں، اگرچہ ایک بلند سطح پر ہے اور تاہم مزید اضافے نے مستقبل کی بنیاد پر مثبت علاقے میں حتمی شرح سود کو آگے بڑھا دیا ہے۔ اس سے افراط زر کی توقعات کو نگر انداز کرنے اور افراط زر کو درمیانی مدت کے ہدف تک لے جانے میں مدد ملے گی۔

غیر معمولی بلند افراط زر اور شرح سود، مرکزی بینک کی جانب سے درآمدات پر پابندی، سیلاب، انسانی، جہاسی اور موسمیاتیوں کے سہ ماہی کو تباہ کرنے والے سپلائی چین کے بڑے مسائل پیدا ہوئے، کی وجہ سے کمزور معاشی سرگرمیوں کے نتیجے میں مالی سال 23 کے لیے جی ڈی پی کی نمو تقریباً 0.5% - 1% متوقع ہے۔

کرنٹ اکاؤنٹ 23 MFY 8 کے لیے 3.86 بلین ڈالر کا خسارہ درج کیا جب کہ پیچھے سال کی اسی مدت کے دوران 12.08 بلین ڈالر کا خسارہ (68% کم) تھا۔ درآمدات میں مسلسل کمی اس کامیابی کی بنیادی وجہ ہے۔ ترسیلات زر میں گزشتہ سال کی اسی مدت کے مقابلے میں 11% کمی واقع ہوئی ہے جس کی بنیادی وجہ عالمی سطح پر بلند افراط زر اور اوپن مارکیٹ اور لائسنس بینک میں پاکستانی روپے امریکی ڈالر کے درمیان بہت بڑا فرق ہے۔

زر مبادلہ کے ذخائر 30 جون 2022 کو 15.4 بلین امریکی ڈالر کے مقابلے میں مارچ کے آخر تک بڑے پیمانے پر 5.6 بلین امریکی ڈالر کی کمی سے 9.8 بلین امریکی ڈالر رہ گئے جس کی بڑی وجہ بیرونی قرضوں کی ادائیگی اور کرنٹ اکاؤنٹ خسارہ ہے۔ مزید برآں، IMF کے ریکارڈ کے ہونے پر دو گرام کی وجہ سے کثیر الجہتی انجینئریں اور دست ممالک کی جانب سے قوم کے غیر ماڈی ہونے سے بھی ایف ایکس کے ذخائر خراب ہو چکا ہے۔ نتیجتاً، پاکستانی روپیہ گریں بینک کے مقابلے میں گزشتہ سال کے آخر میں 204.85 سے 29% کم ہو کر 287.85 ہو گیا ہے۔

نظر ثانی کے لیے آئی ایم ایف کے ساتھ کچھ حصر سے مذاکرات جاری ہیں اور پروگرام کا دوبارہ شروع ہونا کافی اہم ہے کیونکہ ذخائر تاریخ کی کم ترین سطح پر آچکے ہیں۔ اسٹیٹ بینک کے ذخائر فی الحال 4.2 بلین ڈالر ہیں جو کہ درآمدات کی موجودہ زبرد باؤنٹوں کی بنیاد پر ایک ماہ سے بھی کم درآمدی کو پر مٹتے ہیں۔

تمام ضروری اصلاحات کے ساتھ ساتھ عمل درآمد کیا جا رہا ہے، بشمول (a) مارکیٹ پرٹی شرح مبادلہ (b) ٹیکس ریویو میں کمی کو پورا کرنے کے لیے مٹی بجٹ (c) سمسڈی میں کمی (d) یوٹیلٹی ٹیرف میں اضافہ اور (e) پالیسی ریٹ میں اضافہ، ہمارے یقین ہے کہ آئی ایم ایف کے ساتھ مذاکرات جتنی مرحلے میں ہیں اور دوست ممالک سے دھڑکے تھکان کے وعدے موصول ہوتے ہی عمل کی سطح پر مہاجد ہو سکتا ہے۔
