#### **Economic Overview**

Most of the world economies are currently recovering from a multiyear high inflation and interest rates. Domestic inflation as well have started easing from Dec-23, peaking at 38% in May 23 because of high commodity prices, adjustments in utility tariffs and depreciation of the rupee which have continued to exert upward pressure on domestic prices. As a result, inflation for 7 months of FY24 has averaged at 28.73% YoY. The recovery from floods has been significant, with the main crops expected to hit their peak production levels for the year.

In response to rising inflation, the Central Bank has increased policy rate by a cumulative 1500bps to 22% from 7% in Sep 2021. As per MPC, the hikes were aimed at ensuring that the elevated inflation does not become entrenched and risks to financial stability are contained. In contrast, in the last 5 meetings of the monetary policy committee (MPC), the central banks have kept policy rates at 22% on the grounds of achieving positive real interest rates on a 12M forward-looking basis due to a high base effect.

As a result of multiyear high agricultural yields, relaxation on imports by Central bank, positive current account balance and a stable PKR, the GDP growth for FY24 is expected to be around 2%.

The Current Account posted a deficit of \$831 million for 1HFY24 as against a deficit of \$3.63 billion during the same period last year (down 77%). Persistent decline in imports in wake of import controls by the authorities is the core reason for this achievement. In 1HFY24, Remittances have clocked in at \$13,435 million vs \$14,418 million compared to same period last year displaying a decline of 6.8%, mainly because of globally high inflation.

Forex reserves have been increasing since the start of the FY24, from its critical levels of US\$ 4.4bn in June 2023, to US\$8.0bn as of Feb 2024, where couple of successful IMF program reviews being the primary reason behind this. In July 2023, Pakistan entered into a Standby Agreement with the IMF, securing financial support of US\$3bn over 9 months, including an initial disbursement of US\$1.2bn. Moreover, the country received financial support of US\$3bn from its bilateral partners. This boosted total FX reserves to US\$12.8bn from US\$9.2bn in June 2023 and holds potential to attract further inflows. These inflows are expected to assist in managing external debt repayments due in FY24 and FY25.

External debt repayments for FY24 stand at US\$24.6bn, out of which US\$5.4bn is already repaid, US\$12.4bn is expected to be rolled over while remainder of US\$6.8bn will be paid in last 2 quarters.

Pakistan underway into IMF program is quite critical for the economic stability and growth. SBP reserves currently stand at \$8.2bn, translating into approx. Two month of import cover. Steps have been taken in order to revive the economic health of the nation, which includes market driven exchange rate, downward trend in inflation and potential rate cuts in the upcoming months. Moreover, we expect the Government to make reforms including a) increase in utility tariffs, b) resolution of circular debt and c) discontinuation of subsidies.

#### **Equity Market Review**

In the current calendar year, the KSE-100 index witnessed a notable bullish trend supported by successful implementation of an IMF program and essential structural reforms addressing persistent challenges. Reaching an unprecedented peak of 66,426 on December 12, 2023, the index closed the year at 62,451, reflecting a substantial 54.50% for the calendar year 2023. The year began under challenging economic conditions, characterized by escalating interest rates and political uncertainties, initially impacting investor confidence and dampening market performance. Factors such as inflation and continuous PKR devaluation exacerbated these challenges, compounded by postponed elections and heightened political polarization, fostering a prevailing negative sentiment.

However, following the Standby Arrangement with the IMF in July 2023 along with support from bilateral lenders, investor confidence witnessed a resurgence, prompting increased inflows into the market. Government initiatives targeted at curbing illegal foreign currency transactions and preventing further PKR depreciation also contributed to enhance investor trust.

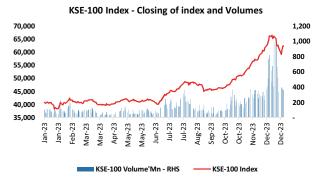

The year 2023 remained a turnaround year for foreign investments as portfolio investment inflow for amounted to USD 73mn Compared to last year's outflow of 49mn, as foreigners remained net buyer compared to being net sellers for eight consecutive years. Major buying from foreigners remained mainly in Commercial Banks, Cements, and in Oil & Gas Exploration Companies.

In the long term, we expect KSE100 index to perform better driven by:

Sustained economic growth and IMF program: Signing of SBA with IMF along with two successful reviews shows commitment of Pakistan towards structural reforms including market based exchange rate, higher tax revenues, elimination of subsidies and resolution of circular debt along with sustained economic growth is expected to drive market performance. Moreover, inflows from Multilaterals and friendly countries have provided much needed respite to dwindling forex reserves.

Attractive fundamentals: Forward P/E stands below 4x, which implies more than 50% discount to historic average P/E of KSE100. Moreover, it is also cheap in comparison to peers as it stands at almost 70% discount to Asia Pacific regional average P/E of 15. We feel, such a low P/E is unwarranted since corporates have done extraordinary well sustaining a CAGR of 11.3% in profitability growth over last 10 years, and are trying to maintain operating profits even in such difficult economic environment. Moreover, the dividend yield of 12% is one of the highest in the region and serves as icing on the cake.

Rate cuts to support the market: The State Bank of Pakistan (SBP) has shown no inclination to raise interest rates further, with the policy rate remaining unchanged at 22%, under the projection that inflation is set to reach around the 13%-15% range by the end of September 2024, owing to an increase in domestic food supply and base effects. As a result, we cannot rule out the possibility of a 7%-9% reduction in the policy rate within the next 12 months. Historically, a decline in interest rates has played a pivotal role in bolstering stock market performance. Lower interest rates tend to reduce the cost of borrowing for companies, stimulating credit growth and corporate investment in expansions, resulting in higher profitability. This potential decline in interest rates is expected to make equity investments relatively more attractive than fixed-income instruments, propelling demand for stocks and triggering positive market performance.

#### Money Market Review:

CY23 remained a volatile year for Money Market, there had been a sharp increase in secondary yields as 3M-PKRV yield rose from 17.75% to 21.28% throughout CY23 owing to risk related to elevated inflation and depleting FX reserves. The cumulative policy rate hike during the year was 600bps in order to tame down inflation and domestic currency. Overall, the Inflation remained at upward trajectory and average inflation clocked in at 30.9% YoY in CY23, mainly due to consistent hike in electricity and gas tariff and increase in Food, Housing &Transport Indices as well.

In the last quarter of CY23, secondary yields showed some respite after touching decade high of 23.78% during 3QCY23. Measures to curb illegal exchange activities and currency smuggling led to recovery in PKR. The interim political setup has successfully established essential political stability, while a firm adherence to the IMF performance criteria underscoring commitment to economic stability keep forward real rate positive on 12-Month basis. Yields on 3m, 6m and 12m paper decreased by 118bps, 144bps and 158bps and stood at 21.28%, 21.37% and 21.32% respectively. On the other hand, yield on longer tenor bonds decreased by 257bps, 133bps and 121bps and settled at 16.54%, 15.9% and 14.91% for 3yr, 5yr and 10yr paper respectively.

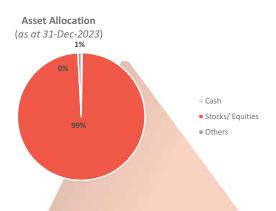

In terms of raising money from primary market through auctions, the Government had faced deterrence in first three quarter of CY23. Major participation remained tilted towards shorter-tenors T-Bills due to inflation uncertainty as average inflation stood at 31.7% during this period. In 4QCY23, large participation was observed in large tenors as well including 6-Month and 12-Month duration T-Bills due to expectation of monetary easing. Going forward, stability in currency and better farm economics along with high base effect is expected to keep inflation outlook positive. The declining inflation will provide ample room for the SBP to start cutting rates. We expect SBP to decrease policy rate by around 700bps in CY24. However, the impact of volatility in Energy prices and freight cost due to Middle East conflict and further increase in gas price remained a major threat to future inflation outlook and may result in higher than expected inflation.

# REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS TO THE UNIT HOLDERS

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah GHP Cash Fund (the Fund) as at December 31, 2023 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund and condensed interim cash flow statement together with the notes forming part thereof (here-in-after referred to as the 'condensed interim financial statements'), for the half year ended December 31, 2023. The Management Company (Alfalah Asset Management Limited) is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. The figures included in the condensed interim income statement and condensed interim statement of comprehensive income for the quarter ended December 31, 2023 and December 31, 2022 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2023.

#### Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

# Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

# Other matter

The condensed interim financial statements of the Fund for the half year ended December 31, 2022 and the financial statements for the year ended June 30, 2023 were reviewed and audited respectively by another firm of Chartered Accountants who had expressed an unmodified conclusion and opinion thereon vide their reports dated March 01, 2023 and September 28, 2023 respectively.

#### 1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Cash Fund (the Fund) is an open-ended fund registered under the Trust Act, 1882 executed between Alfalah Asset Management Limited (the Management Company) and Central Depository Company of Pakistan Limited (the Trustee). On June 21, 2012, the first supplemental trust deed for change of trustee and amendment of trust deed of the Fund was executed and MCB Financial Services Limited was appointed as the new Trustee. On October 28, 2019, a second supplemental trust deed for change of trustee and amendment of trust deed of the Fund was executed and Central Depository Company of Pakistan Limited was appointed as the new Trustee.

During the year ended June 30, 2021, the Trust Act, 1882 was repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). Accordingly, on September 17, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

- 1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry and Agriculture Building, 2nd Floor, Street 2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.3 The Fund is categorised as a 'money market scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund
- 1.4 According to the Trust Deed, the objective of the Fund is to provide a regular stream of income at competitive rate of return while preserving capital to the extent possible by investing in assets with low risk and a high degree of liquidity from a portfolio constituted mostly of money market securities and placements.
- 1.5 VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023 [June 30, 2023: AM2+ dated March 3, 2023 by Pakistan Credit Rating Agency Limited (PACRA)]. PACRA has assigned the stability rating to the Fund at AA+(f) on September 28, 2023 (June 30, 2023: AA+ dated September 22, 2022).
- 1.6 Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

# 2 BASIS OF PREPARATION

#### 2.1 Statement of compliance

- 2.1.1 These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of:
  - International Accounting Standard (IAS) 34 'Interim Financial Reporting' issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
  - Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
  - Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

- 2.2 The disclosures made in these condensed interim financial statements are limited based on the requirements of IAS 34: 'Interim Financial Reporting'. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2023.
- 2.3 The comparative statement of asset and liabilities presented in these condensed interim financial statements has been extracted from the annual audited financial statements of the Fund for the year ended June 30, 2023, whereas the comparative condensed interim income statement, condensed interim statement of comprehensive income, condensed interim cash flow statement, and condensed interim statement of movement in unit holders' fund are extracted from the un-audited condensed interim financial statements for the half year ended December 31, 2022.
- 2.4 In compliance with Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at December 31, 2023.

#### 3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ESTIMATES AND JUDGMENTS

- 3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2023.
- 3.2 The preparation of these condensed interim financial statements in conformity with the accounting and reporting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty are the same as those that were applied in the audited annual financial statements of the Fund as at and for the year ended June 30, 2023.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2023.

# 3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting periods beginning on or after July 1, 2023, but are considered to be not relevant or will not have any material impact on the Fund's financial statements and, therefore, have not been detailed in these condensed interim financial statements.

#### 3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards, interpretations and amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting periods beginning on or after July 1, 2024. However, these will not have any material impact on the Fund's financial statements and, therefore, have not been detailed in these condensed interim financial statements.

- 7.1 As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rates ranging from 0.25% to 1.5% of the average annual net assets of the Fund. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 7.2 Sales tax on remuneration of Management Company has been charged at the rate of 13% (June 30, 2023: 13%).
- 7.3 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).
  - Accordingly, the Management Company has not charged allocated expenses to the Fund during the period.
- 7.4 The SECP has allowed the Asset Management companies to charge selling and marketing expenses to all categories of open-end mutual funds up to a maximum limit approved by the Board of Directors of Management Company as part of annual plan.
  - Accordingly, the Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.
- 7.5 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED and the related sales tax has been made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 11.772 million is being retained in the condensed interim financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these condensed interim financial statements of the Fund, the net asset value of the Fund as at December 31, 2023 would have been higher by Rs. 1.35 per unit (June 30, 2023: Rs. 1.82 per unit).

9.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.075% per annum of the daily net assets of the Fund, applicable to an "Money Market Scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.075% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

#### 11 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at December 31, 2023 and June 30, 2023.

#### 12 TOTAL EXPENSE RATIO

The annualised total expense ratio (TER) of the Fund as at December 31, 2023 based on the current period results is 0.77% (June 30, 2023: 0.74%) which includes 0.09% (June 30, 2023: 0.37%) representing Government levy, Sindh Workers' Welfare Fund and the SECP Fee. This ratio is within the maximum limit of 2% (excluding government levies) prescribed under the NBFC Regulations for a collective investment scheme categorised as an "money market scheme".

#### 13 TAXATION

The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

Since the Management Company intends to distribute the required minimum percentage of income earned by the Fund for the year ending June 30, 2024 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these condensed interim financial statements.

The Fund is also exempt from the provisions of the Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

# 14 EARNINGS PER UNIT (EPU)

Earnings per unit (EPU) has not been disclosed in these condensed interim financial statements as, in the opinion of the management, determination of the cumulative weighted average outstanding number of units for calculating EPU is not practicable.

# 17 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

# 17.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the assets or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2023 and June 30, 2023 the Fund held the following financial instruments measured at fair value:

|  |         | December 31, 20 | 23 (Unaudited) |               |

# INDEPENDENT AUDITORS' REVIEW REPORT TO THE UNIT HOLDERS OF ALFALAH GHP MONEY MARKET FUND

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah GHP Money Market Fund (the Fund) as at December 31, 2023, and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund, condensed interim statement of cash flow and notes to the condensed interim financial statement for the six months period ended December 31, 2023 (here-in-after referred to as the condensed interim financial statement). Alfalah Asset Management Limited (the Management Company) is responsible for the preparation and presentation of this condensed interim financial statement in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this condensed interim financial statement based on our review.

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Statement Performed by the Independent Auditor of the Entity". A review of condensed interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statement is not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The figures of the condensed interim income statement and condensed interim statement of comprehensive income, for the quarter ended December 31, 2023 have not been reviewed, as we are required to review only the cumulative figures for the six month's period ended December 31, 2023.

The condensed interim financial statement for the six months' period ended December 31, 2022 and the annual financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of chartered accountants, whose review report dated February 27, 2023 and audit report dated September 28, 2023, expressed an unmodified conclusion /

The engagement partner on the review resulting in this independent auditor's review report is Arif Nazeer.

#### 1. LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Money Market Fund (formerly IGI Money Market Fund) (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882, executed between IGI Funds Limited (Former Management Company) and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed was executed on March 04, 2010. On October 15, 2013, the management rights were transferred from the Former Management Company to Alfalah Asset Management Limited (formerly Alfalah GHP Investment Management Limited) the Management Company by sanctioning of order by the Securities and Exchange Commission of Pakistan (SECP) vide its letter No. SCD/NBFC-II/IGIFL and AFGHP/742/2013. The SECP has approved second Supplemental Trust Deed, under the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations), vide its letter No. SCD/AMCW/AGISF/238/2015 dated February 03, 2015 to modify and restate the previous Trust Deed to effectuate renaming of the Fund to Alfalah GHP Money Market Fund.

The Trust Act, 1882 had been repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan. The Fund was required to be registered under the Sindh Trust Act. Accordingly, on September 9, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

- 1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry and Agricultural Building, 2nd Floor, ST 2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.3 The Fund is categorised as a 'money market scheme' pursuant to the provisions contained in Circular 7 of 2009 issued by the SECP and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.4 According to the Trust Deed, the objective of the Fund is to generate competitive returns consistent with low risk from a portfolio constituted of short term instruments. The Fund invests in cash deposits, money market placements and government securities. The investment objectives and policy are explained in the Fund's offering document.
- 1.5 VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023 [June 30, 2023: AM2+ dated March 3, 2023 by Pakistan Credit Rating Agency Limited (PACRA)]. PACRA has assigned a stability rating of A+(f) to the Fund dated October 13, 2023 (June 30, 2023: A+(f) dated October 13, 2022).
- 1.6 Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

#### 2. BASIS OF PREPARATION

#### 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and

Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

- 2.2 The disclosures made in these condensed interim financial statements have, however, been limited based on the requirements of the IAS 34: 'Interim Financial Reporting'. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2023.
- 2.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at December 31, 2023.
- 3 SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION, ACCOUNTING ESTIMATES, JUDGEMENTS AND RISK MANAGEMENT POLICIES
- 3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2023.
- 3.2 The preparation of the condensed interim financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2023.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2023.

#### 3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

During the period, the Company adopted Disclosure of Accounting Policies (Amendments to IAS 1) from January 01, 2023. The amendments require the disclosure of 'material', rather than 'significant', accounting policies. Although the amendments did not result in any changes to the accounting policies themselves.

# 3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards, interpretations and amendments to the accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2024. However, these will not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

- 7.1 As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Accordingly, the Management Company has charged its remuneration variably at a range of 0.7% to 0.98%, keeping in view the overall return and the total expense ratio limit of the Fund subject to the maximum limit of 1.5% of average annual net assets as disclosed in the offering document. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 7.2 During the period, an amount of Rs. 19.821 million (June 2023: Rs 18.093 million) was charged on account of sales tax on management fee at the rate of 13% (June 2023: 13%) per annum levied through the Sindh Sales Tax on Services Act, 2011.
- 7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a civil petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 11.119 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these condensed interim financial statements of the Fund, the net asset value of the Fund as at December 31, 2023 would have been higher by Rs. 0.02464 (June 30, 2023: Rs. 0.0290 per unit.

7.4 The SECP has allowed the Asset Management companies to charge selling and marketing in all categories of open-end mutual funds upto a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, the Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

7.5 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services accounting, operation and valuation services, related to a Collective Investment Scheme (CIS). Accordingly, the Management Company has charged allocated expenses to the Fund based on its discretion subject to not being higher than actual expense incurred.

9.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.075% per annum of the daily net assets of the Fund, applicable to a "Money Market Scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.075% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

#### 11 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at December 31, 2023 and June 30, 2023.

#### 12 TOTAL EXPENSE RATIO

The annualised total expense ratio (TER) of the Fund based on the current period results is 1.54% (December 2022: 0.82%) which includes 0.18% (December 2022: 0.079%) representing Government levies on the Fund such as provision for sales taxes, federal excise duties, annual fee to the SECP, etc. This ratio is within the maximum limit of 2% (excluding government levies) prescribed under the NBFC Regulations for a collective investment scheme categorised as a "money market scheme".

#### 13 TAXATION

The income of the Fund is exempt from income tax as per Clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of the Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, super tax introduced in the Finance Act, 2015 is also not applicable on funds as per section 4B of the Income Tax Ordinance, 2001.

Since the Management Company intends to distribute the required minimum percentage of income earned by the Fund for the year ending June 30, 2024 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these condensed interim financial statements, during the period.

#### 14 EARNINGS PER UNIT

Earnings per unit (EPU) has not been disclosed in these condensed interim financial statements as, in the opinion of the management, determination of the cumulative weighted average outstanding number of units for calculating EPU is not practicable.

#### 17 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

#### 17.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2023 and June 30, 2023 the Fund held the following financial instruments measured at fair values:

## INDEPENDENT AUDITORS' REVIEW REPORT TO THE UNIT HOLDERS OF ALFALAH GHP SOVEREIGN FUND

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah GHP Sovereign Fund (the Fund) as at December 31, 2023, and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund, condensed interim statement of cash flow and notes to the condensed interim financial statement for the six months period ended December 31, 2023 (here-in-after referred to as the condensed interim financial statement). Alfalah Asset Management Limited (the Management Company) is responsible for the preparation and presentation of this condensed interim financial statement in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this condensed interim financial statement based on our review.

#### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Statement Performed by the Independent Auditor of the Entity". A review of condensed interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statement is not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

#### Other matter

The figures of the condensed interim income statement and condensed interim statement of comprehensive income, for the quarter ended December 31, 2023 have not been reviewed, as we are required to review only the cumulative figures for the six months' period ended December 31, 2023.

The condensed interim financial statement for the six months' period ended December 31, 2022 and the annual financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of chartered accountants, whose review report dated February 28, 2023 and audit report dated September 28, 2023, expressed an unmodified conclusion / opinion respectively.

The engagement partner on the review resulting in this independent auditor's review report is Arif Nazeer.

#### 1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Sovereign Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed executed under the Trust Act, 1882 between Alfalah Asset Management Limited the Management Company, and Central Depository Company of Pakistan Limited (the Trustee). The Trust Deed was executed on May 6, 2014.

The Trust Act, 1882 had been repealed due to the promulgation of Provincial Trust Act namely "Sindh Trust Act, 2020" (the Sindh Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan. The Fund was required to be registered under the Sindh Trust Act. Accordingly, on September 20, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

- 1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate issued by the SECP on May 4, 2020 which is valid for a period of three years w.e.f March 9, 2020. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry and Agricultural Building, 2nd Floor ST 2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.3 The Fund is categorised as 'income scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.4 The objective of the Fund is to deliver returns by investing mainly in mix of short to long term Government Securities and other debt instruments. The investment objectives and policy are more fully explained in the Fund's offering document.
- 1.5 VIS Credit Rating Company Limited (VIS) has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023 (August 31, 2023: AM2++) and has maintained the stability rating of the Fund at AA-(f) on October 13, 2023. (2022: AA-(f) dated October 13, 2022)
- 1.6 Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan (CDC) as the Trustee of the Fund.

#### 2 BASIS OF PREPARATION

#### 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standards (IAS) 34, 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies, Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 The disclosures made in these condensed interim financial statements are limited based on the requirements of IAS 34: 'Interim Financial Reporting'. These condensed interim financial statements do not include all the

information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2023.

2.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at December 31, 2023.

## 3 MATERIAL ACCOUNTING POLICY INFORMATION, RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES AND JUDGMENTS

- 3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2023.
- 3.2 The preparation of these condensed interim financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2023.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2023.

## 3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

During the period, the Company adopted Disclosure of Accounting Policies (Amendments to IAS 1) from January 01, 2023. The amendments require the disclosure of 'material', rather than 'significant', accounting policies. Although the amendments did not result in any changes to the accounting policies themselves.

#### 3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards, interpretations and amendments to the accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2024. However, these are not expected to have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements

- 7.1 As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rate of up to 10% of the gross earnings of the Fund, subject to a minimum remuneration of 0.25% and maximum remuneration of 1.5% of the average annual net assets of the Fund. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 7.2 During the period, an amount of Rs. 0.06 million (June 30, 2023: Rs. 0.453 million) at the rate of 13% (30 June, 2023: 13%) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011.

7.3 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

Accordingly, the Management Company has charged allocated expenses to the Fund based on its discretion subject to not being higher than actual expense incurred.

7.4 The SECP has allowed the Asset Management companies to charge selling and marketing expenses to all categories of open-end mutual funds upto a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, the Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

7.5 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 18.1 million is being retained in the condensed interim financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these condensed interim financial statements of the Fund, the net asset value of the Fund as at December 31, 2023 would have been higher by Rs. 0.50 per unit (June 30, 2023: Rs. 4.39 per unit).

- 8.1 The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. As per the tariff specified therein, based on the daily net assets at the rate of 0.055% per annum of the net assets of the Fund. (June 30, 2023: 0.055% per annum).
- 8.2 During the period an amount of Rs.0.022 million (June 30, 2023: Rs. 0.038 million) at the rate of 13% (June 30, 2022: 13%) has been charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011.

#### 

9.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.075% per annum of the daily net assets of the Fund, applicable to an "Income Scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.075% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

#### 11 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at December 31, 2023 and June 30, 2023.

#### 12 TOTAL EXPENSE RATIO

The annualised Total Expense Ratio (TER) of the Fund based on current period results is 1.875% (2022: 1.34%) excluding government levies on the fund such as provision for sales tax, annual fee to the SECP etc. which are 0.165% (2022: 0.06%) The ratio is within the maximum limit of 2.5% (excluding government levies) prescribed under NBFC Regulations for a collective investment scheme categorised as an "equity scheme".

#### 13 TAXATION

The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of the Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Since the Management Company intends to distribute the required minimum percentage of income earned by the Fund for the year ending June 30, 2024 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these condensed interim financial statements.

#### 17 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

#### 17.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2023 and June 30, 2023 the Fund held the following financial instruments measured at fair value:

|                                    | /    |               | December 31, 202 | 3 (Un-audited) |               |

## REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS TO THE UNIT HOLDERS

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah GHP Income Fund (the Fund) as at December 31, 2023 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund and condensed interim cash flow statement together with the notes forming part thereof (here-in-after referred to as the 'condensed interim financial statements'), for the half year ended December 31, 2023. The Management Company (Alfalah Asset Management Limited) is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. The figures included in the condensed interim income statement and condensed interim statement of comprehensive income for the quarter ended December 31, 2023 and December 31, 2024 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2023.

#### Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

#### Other matter

The condensed interim financial statements of the Fund for the half year ended December 31, 2022 and the financial statements for the year ended June 30, 2023 were reviewed and audited respectively by another firm of Chartered Accountants who had expressed an unmodified conclusion and opinion thereon vide their reports dated March 01, 2023 and September 28, 2023 respectively.

# 2 BASIS OF PREPARATION

# 2.1 Statement of compliance

- 2.1.1 These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of:
  - International Accounting Standard (IAS) 34 'Interim Financial Reporting' issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017.
  - Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
  - the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the requirements of International Accounting Standard (IAS 34), Interim Financial Reporting,

the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed

- 2.2 The disclosures made in these condensed interim financial statements are limited based on the requirements of the International Accounting Standard (IAS 34), Interim Financial Reporting. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2023.
- 2.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at and for the half year ended December 31, 2023.

# 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, ACCOUNTING ESTIMATES, JUDGMENTS AND RISK MANAGEMENT POLICIES

- 3.1 The accounting policies applied and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2023.
- 3.2 The preparation of the condensed interim financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2023.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2023.

# 3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these do not have any material impact on the Fund's financial statements and, therefore, have not been detailed in these condensed interim financial statements.

# 3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards, interpretations and amendments to the accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2024. However, the new standards, interpretations and amendments to the accounting and reporting standards will not have any material impact on the Fund's financial statements in the period of adoption and, therefore, have not been detailed in these condensed interim financial statements.

- 7.1 As per Regulation 61 of the NBFC Regulations, 2008, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the offering document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rate of 0.75% (June 30, 2023: 0.75%) per annum of the average net assets of the Fund during the period ended December 31, 2023. The remuneration is payable to the Management Company monthly in arrears.
- 7.2 During the period, Sindh Sales Tax on management remuneration of Rs. 0.45 million (December 31, 2022: Rs. 0.32 million) at the rate of 13% (December 31, 2022: 13%) per annum was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011.
- 7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 11.13 million (June 30, 2023: Rs. 11.13 million) is being retained in the condensed interim financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these condensed interim financial statements of the Fund, the net asset value of the Fund as at December 31, 2023 would have been higher by Rs. 0.56 per unit (June 30, 2023: Rs. 2.85 per unit).

7.4 The SECP has allowed the Asset Management companies to charge selling and marketing expenses to all categories of open-end mutual funds up to a maximum limit approved by the Board of Directors of Management Company as part of annual plan. Accordingly, the Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

9.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.075% per annum of the daily net assets of the Fund, applicable to an "Income Scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.075% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

#### 11 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments as at December 31, 2023 and June 30, 2023.

#### 12 TOTAL EXPENSE RATIO

The annualised Total Expense Ratio (TER) of the Fund as at December 31, 2023 is 1.77% (December 31, 2022: 1.34%) which includes 0.18% (December 31, 2023: 0.31%) representing government levies on the Fund such as sales taxes, fee to the SECP, etc. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an 'Income Scheme'.

#### 13 TAXATION

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. The Fund has not recorded any tax liability in respect of income relating to the current period as the Management Company intends to distribute at least 90 percent of the Fund's accounting income for the year ending June 30, 2024 as reduced by capital gains (whether realised or unrealised) to its unit holders.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

# 17 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at market prices prevailing on the reporting date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

### 17.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2023 and June 30, 2023, the Fund held the following financial instruments measured at fair values:

# REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS TO THE UNIT HOLDERS

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah GHP Income Multiplier Fund (the Fund) as at December 31, 2023 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund and condensed interim cash flow statement together with the notes forming part thereof (here-in-after referred to as the 'condensed interim financial statements'), for the half year ended December 31, 2023. The Management Company (Alfalah Asset Management Limited) is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. The figures included in the condensed interim income statement and condensed interim statement of comprehensive income for the quarter ended December 31, 2023 and December 31, 2022 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2023.

# Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

# Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

# Other matter

The condensed interim financial statements of the Fund for the half year ended December 31, 2022 and the financial statements for the year ended June 30, 2023 were reviewed and audited respectively by another firm of Chartered Accountants who had expressed an unmodified conclusion and opinion thereon vide their reports dated March 01, 2023 and September 28, 2023 respectively.

#### □1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Income Multiplier Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882 executed between Alfalah Asset Management Limited (the Management Company) and Central Depository Company of Pakistan Limited (the Trustee) on March 08, 2007. The Trust Deed was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, on February 14, 2007. The SECP approved the first and second Supplemental Trust Deeds, under the Non-Banking Finance Companies and Notified Entities Regulations, 2008, vide its letter No. SCD/NBFC-II/AGIMF/573/2010 and No. SCD/NBFC-II/AGIMF/177/2010 dated February 26, 2010 and July 20, 2010, respectively to modify and restate the previous Trust Deed to effectuate amendments listed in Annexure A of the Supplement Trust Deeds.

After the promulgation of Provincial Trust Act namely "Sindh Trust Act, 2022" (the Sindh Trust Act), the abovementioned Trust Deeds have been registered under the Sindh Trust Act on September 20, 2021.

- 1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate issued by the SECP on February 3, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry and Agricultural Building, 2nd Floor ST 2/A, Block 9, KDA Scheme 5. Clifton. Karachi.
- 1.3 The Fund is categorised as an 'Aggressive income scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.4 According to the Trust Deed, the objective of the Fund is to provide good total return through a combination of current income and long-term capital appreciation, consistent with reasonable investment risk in debt and money market securities. The Fund invests in debt instruments, money market securities and interest bearing accounts. The investment objectives and policy are explained in the Fund's offering document.
- 1.5 VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company dated December 29, 2023 [June 30, 2023: AM2+ dated March 3, 2023 by Pakistan Credit Rating Agency Limited(PACRA)]. PACRA has assigned a stability rating of AA(f) to the Fund in its credit rating report dated October 13, 2023 (June 30, 2023: AA(f) dated April 13, 2023).
- 1.6 Title to the assets of the fund are held in the name of Central Depository Company of Pakistan (CDC) as the Trustee of the fund.

# 2 BASIS OF PREPARATION

# 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34 'Interim Financial Reporting' issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

- 2.2 The disclosures made in these condensed interim financial statements are limited based on the requirements of IAS 34: 'Interim Financial Reporting'. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2023.
- 2.3 In compliance with schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company hereby declare that these condensed interim financial statements gives a true and fair view of the state of the Fund's affairs as at December 31, 2023.

# 3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES AND JUDGMENTS

- 3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the audited annual financial statements of the Fund for the year ended June 30, 2023.
- 3.2 The preparation of these condensed interim financial statements in conformity with the accounting and reporting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2023.

The financial risk management objectives and policies are consistent with those disclosed in the audited annual financial statements of the Fund for the year ended June 30, 2023.

# 3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on July 1, 2023. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

# 3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards, interpretations and amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting periods beginning on or after July 1, 2024. However, these will not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

- 5.1.3 Significant terms and conditions of impaired term finance and sukuk certificates outstanding at the period end are as follows:
- 5.1.4 On April 1, 2021, sukuk certificates of Hascol Petroleum Limited have been classified as non-performing by Mutual Funds Association of Pakistan (MUFAP). Therefore, in accordance with the requirement of SECP's Circular No.33 of 2012, the sukuk certificates have been classified as non-performing asset and no further profit has been accrued thereafter. Accordingly, an amount of Rs. 25.996 million has been provided against the investment as at December 31, 2023.
- 5.1.5 In prior years, a restructuring agreement was signed between Agritech Limited and the Investment Agent in respect of the term finance certificates, whereby, certain terms included in the original Trust Deed dated November 15, 2007 were amended, including the repayment period which was extended from November 29, 2014 to November 29, 2017. Consequently, the security was classified as non-performing by MUFAP on June 14, 2010 and accrual of income on these TFCs was suspended. Accordingly, the security had been fully provided in accordance with the requirements of SECP circulars and directives issued from time to time and the Board's approved provisioning policy.
- 5.1.6 This represents additional certificates of Agritech Limited received by the Fund through restructuring agreement reached between lenders and Agritech Limited. Under such agreement, outstanding mark up due on May 29, 2011 and July 13, 2011 against 1st and 2nd issue respectively amounting to Rs. 20.470 million was settled in the form of certificates valuing Rs. 20.470 million. This investment has been fully provided since these have been received in lieu of suspended overdue mark-up to be recognised to income upon realisation.

- 8.1 As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rate of up to 1.5% of the average annual net assets of the Fund. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 8.2 During the period, an amount of Rs. 3.008 million (December 31, 2022: Rs. 0.089 million) at the rate of 13% (December 31, 2022: 13%) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011.
- 8.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013.

The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 11.4 million is being retained in the condensed interim financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these condensed interim financial statements of the Fund, the net asset value of the Fund as at December 31, 2023 would have been higher by Rs. 0.16 per unit (June 30, 2023: Rs. 0.08 per unit).

8.4 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

Accordingly, the Management Company has charged allocated expenses to the Fund based on its discretion subject to not being higher than actual expense incurred.

8.5 The SECP has allowed the Asset Management companies to charge selling and marketing expenses to all categories of open-end mutual funds upto a maximum limit approved by the Management Company as part of annual plan.

Accordingly, the Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

10.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.075% per annum of the daily net assets of the Fund, applicable to an "Equity / Index / Asset Allocation / Exchange Traded Scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.075% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

# 18 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

#### 18.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: Quoted prices (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2023 and June 30, 2023 the Fund held the following financial instruments measured at fair value:

# REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS TO THE UNIT HOLDERS

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah GHP Alpha Fund (the Fund) as at December 31, 2023 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund and condensed interim cash flow statement together with the notes forming part thereof (here-in-after referred to as the 'condensed interim financial statements'), for the half year ended December 31, 2023. The Management Company (Alfalah Asset Management Limited) is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. The figures included in the condensed interim income statement and condensed interim statement of comprehensive income for the quarter ended December 31, 2023 and December 31, 2022 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2023.

#### Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

#### Other matter

The condensed interim financial statements of the Fund for the half year ended December 31, 2022 and the financial statements for the year ended June 30, 2023 were reviewed and audited respectively by another firm of Chartered Accountants who had expressed an unmodified conclusion and opinion thereon vide their reports dated March 01, 2023 and September 28, 2023 respectively.

#### 1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Alpha Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882, executed between Alfalah Asset Management Limited (the Management Company) and Central Depository Company of Pakistan Limited (CDC) as the Trustee on December 27, 2007. The Trust Deed was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 on May 13, 2005. The SECP approved the first Supplemental Trust Deed under the Non-Banking Finance Companies and Notified Entities Regulations, 2008, vide its letter No. NBFC/RS/AGIML/AGAF/176/2010 dated February 26, 2010 to modify and restate the previous Trust Deed to effectuate the amendments listed in Annexure A of the first Supplemental Trust Deed.

After the promulgation of Provincial Trust Act namely "Sindh Trust Act, 2022" (the Sindh Trust Act), the abovementioned Trust Deeds have been registered under the Sindh Trust Act on September 20, 2021.

- 1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate issued by the SECP on February 3, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry and Agricultural Building, 2nd Floor ST 2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.3 The Fund is categorised as an 'Equity Scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund
- 1.4 According to the Trust deed, the objective of the Fund is long term capital appreciation from a portfolio that is substantially constituted of equity and equity related securities. The Fund invests in equity securities and profit bearing accounts. The investment objectives and policy are explained in the Fund's offering document.
- 1.5 VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023 (June 30, 2023: AM2+ dated March 3, 2023 by Pakistan Credit Rating Agency Limited).
- 1.6 Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

#### 2 BASIS OF PREPARATION

#### 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan comprise of:

- International Accounting Standard (IAS) 34, 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017,
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

- 2.2 These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2023.
- 2.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at December 31, 2023.

## 3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES AND

- 3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2023.
- 3.2 The preparation of these condensed interim financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2023.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2023.

#### 3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on July 1, 2023. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

# 3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards, interpretations and amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting periods beginning on or after July 1, 2024. However, these will not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

- 5.1.1 All shares have a nominal value of Rs. 10 each except for the shares of National Foods Limited and Thal Limited which have a nominal value of Rs. 5 each and shares of K-Electric Limited which have a nominal value of Rs. 3.5 each.
- 5.1.2 The Finance Act, 2014 introduced amendments to the Income Tax Ordinance 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were only to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 Part I to the Second Schedule of the Income Tax Ordinance 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

During the year ended June 30, 2018, the Supreme Court of Pakistan passed a judgment on June 27, 2018 whereby the suits which are already pending or shall be filed in future must only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities is deposited with the authorities. Accordingly, the CISs were required to pay minimum 50% of the tax calculated by the tax authorities for the case to remain continued. The CISs failed to deposit the minimum 50% of the tax liability and accordingly the stay got vacated automatically during the year ended June 30,

2019. During the year ended June 30, 2020, the CISs had filed a fresh constitutional petition via CP 4653 dated July 11, 2019 in the Honourable High Court of Sindh. In this regard, on July 15, 2019, the Honourable High Court of Sindh had issued notices to the relevant parties and had ordered that no third party interest on bonus shares issued to the Funds in lieu of their investments be created in the meantime. The matter is still pending adjudication and the Funds have included these shares in their portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

Furthermore, the Finance Act, 2018 effective from July 1, 2018 has omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. Therefore, bonus shares issued to the Fund since July 1, 2018 have not been withheld by the investee companies.

As at December 31, 2023, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of the bonus shares.

6.1 As per regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the offering document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the following rates during the period ended December 31, 2023. The remuneration is payable to the Management Company monthly in arrears.

| Rate applicable from July 1, 2023  | Rate applicable from October 28,   | Rate applicable from July 1, 2022  |
|------------------------------------|------------------------------------|------------------------------------|
| to October 27, 2023                | 2023 to December 31, 2023          | to June 30, 2023                   |
| 1.75% of average annual net assets | 1.50% of average annual net assets | 1.75% of average annual net assets |

- 6.2 During the period, Sindh sales tax on management remuneration has been charged at the rate of 13% (December 31, 2022: 13%).
- 6.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company and performance fee with effect from July 01, 2016. However, as a matter of abundant caution, the provision for FED and the related sales tax has been made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 5.64 million is being retained in these condensed interim financial statements as the matter is pending before the Supreme Court of Pakistan. Had the provision for FED not been made, the Net Asset Value per unit of the Fund as at December 31, 2023 would have been higher by Re 0.61 (June 30, 2023: Re 0.49) per unit.

6.4 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

During the period, the Management Company has charged such expenses to the Fund at the rate of 0.10% (June 30, 2022: 0.10%) of the average net assets of the Fund which has been approved by the board of directors.

6.5 In accordance with the SECP's circular 11 dated July 5, 2019 the asset management companies are allowed to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) subject to the maximum limit approved by the board of directors as part of the annual plan.

During the current period, the Management Company has charged selling and marketing expenses to the Fund based on its own discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

- 6.6 The management company charges performance fee on out performance of the fund over the hurdle rate. The hurdle rate is the average of six months KIBOR announced on 31 December and 30 june of the calender year plus 500 bps and it is 0.08% since the inception of the fund. The total of management remuneration and performance fee shall not be exceed the limit mentioned in the offering which is document which is 2% per annum of the average annua net assets.
- 6.7 During the period, Sindh sales tax on performance fee has been charged at the rate of 13% (December 31, 2022: 13%).

7.2 Sindh sales tax on remuneration payable to trustee has been charged at the rate of 13% (December 31, 2022: 13%).

#### 

8.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.095% per annum of the daily net assets of the Fund, applicable to a collective investment scheme categorised as an "equity scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.02% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

#### 16 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradeable in an open market are revalued at market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

#### 16.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at 31 December 2023 and 30 June 2023, the Fund held the following financial instruments measured at fair values:

| at fall values.  |             |                                |             |                  |  |  |

# INDEPENDENT AUDITORS' REVIEW REPORT TO THE UNIT HOLDERS OF ALFALAH GHP STOCK FUND

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah GHP Stock Fund (the Fund) as at December 31, 2023, and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund, condensed interim statement of cash flow and notes to the condensed interim financial statement for the six months period ended December 31, 2023 (here-in-after referred to as the condensed interim financial statement). Alfalah Asset Management Limited (the Management Company) is responsible for the preparation and presentation of this condensed interim financial statement in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this condensed interim financial statement based on our review.

#### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Statement Performed by the Independent Auditor of the Entity". A review of condensed interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statement is not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

#### Other matter

The figures of the condensed interim income statement and condensed interim statement of comprehensive income, for the quarter ended December 31, 2023 have not been reviewed, as we are required to review only the cumulative figures for the six month's period ended December 31, 2023.

The condensed interim financial statement for the six months' period ended December 31, 2022 and the annual financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of chartered accountants, whose review report dated February 27, 2023 and audit report dated September 28, 2023, expressed an unmodified conclusion / opinion respectively.

The engagement partner on the review resulting in this independent auditor's review report is Arif Nazeer.

#### 1. LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Stock Fund (the Fund) is an open-ended Fund constituted under a Trust Deed executed under the Trust Act, 1882 entered into on June 10, 2008 between IGI Funds Limited (Former Management Company), a company incorporated under the repealed Companies Ordinance, 1984 (now Companies Act, 2017) and Central Depository Company of Pakistan Limited (CDC) as the Trustee, also incorporated under the repealed Companies Ordinance, 1984 (now Companies Act, 2017). On October 15, 2013, the management rights of the Fund were transferred from IGI Funds Limited to Alfalah Asset Management Limited (formerly Alfalah GHP Investment Management Limited) the Management Company by means of Securities and Exchange Commission of Pakistan (SECP) sanctioned order No. SCD/NBFC-II/IGIFL & AFGHP/742/2013. The SECP has approved Second Supplemental Trust Deed, under the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations) vide its letter No. SCD/AMCW/AGISF/239/2015 dated February 03, 2015 to modify and restate the previous Trust Deed to effectuate renaming of the Fund to Alfalah GHP Stock Fund.

The Trust Act, 1882 had been repealed due to the promulgation of Provincial Trust Act namely "Sindh Trust Act, 2020" (the Sindh Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan. The Fund was required to be registered under the Sindh Trust Act. Accordingly, on September 09, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

- 1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (NBFC Rules) through a certificate issued by the SECP on Feb 23, 2023 which is valid for a period of three years w.e.f. March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.3 The Fund is categorised as an 'equity scheme' pursuant to the provisions contained in Circular No. 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.4 The objective of the Fund is to provide return through a combination of long term capital appreciation and income, from a portfolio that is substantially constituted of equity and equity related securities. The Fund may also invest a certain portion of its assets in debt and money market securities in order to meet liquidity requirements from time to time. The investment objectives and policies are explained in the Fund's offering document.
- 1.5 The VIS Credit Rating Company Limited has assigned an asset manager rating of AM1 (positive outlook) to the Management Company on December 29, 2023 (2022: AM2+ dated March 31, 2022).
- 1.6 Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited (CDC) as the Trustee of the Fund.

#### 2. BASIS OF PREPARATION

#### 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standards (IAS) 34, 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IAS 34: Interim Financial Information, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

- 2.2 The disclosures made in these condensed interim financial statements are limited based on the requirements of the IAS 34: 'Interim Financial Reporting'. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2023.
- 2.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at December 31, 2023.

## 3 MATERIAL ACCOUNTING POLICY INFORMATION, RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES AND JUDGEMENTS

- 3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2023.
- 3.2 The preparation of the condensed interim financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2023.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2023.

# 3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

During the period, the Company adopted Disclosure of Accounting Policies (Amendments to IAS 1) from January 01, 2023. The amendments require the disclosure of 'material', rather than 'significant', accounting policies. Although the amendments did not result in any changes to the accounting policies themselves.

#### 3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards, interpretations, and amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2024. However, these are not expected to have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

5.1.1 All Shares are fully paid-up ordinary shares of Rs 10 each, except for Shabbir Tiles and Ceramics Limited, Thal Limited, Synthetic Products Enterprise Limited, and National Foods Limited, which have fully paid-up ordinary shares of Rs 5 each. The Bank of Punjab and TRG Pakistan Limited has fully paid-up ordinary shares of Rs 1 each, and K-Electric Limited has fully paid-up ordinary shares of Rs 3.5 each.

5.1.2 The Finance Act, 2014 introduced amendments to the Income Tax Ordinance 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were only to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 Part I to the Second Schedule of the Income Tax Ordinance 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

During the year ended June 30, 2018, the Supreme Court of Pakistan passed a judgement whereby the suits which were already pending or were to be filed in future could only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities was deposited with the authorities. Accordingly, the CISs were required to pay minimum 50% of the tax calculated by the tax authorities for the case to continue. The CISs failed to deposit the minimum 50% of the tax liability and accordingly the stay got vacated automatically. The CISs have filed a fresh constitutional petition via CP 4653 dated July 11, 2019 and, on July 15, 2019, the Honourable High Court of Sindh has issued notices to the relevant parties and has ordered that no third party interest on bonus shares issued to the Funds in lieu of their investments be created in the meantime. The matter is still pending adjudication and the Funds have included these shares in their portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

Further, the Finance Act, 2018 effective from July 1, 2018 has omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. Therefore, bonus shares issued to the Fund during the period were not withheld by the investee companies.

As at December 31, 2023, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of the bonus shares:

- 7.1 As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rate of 3% (June 30, 2023: 2%) per annum of the average net assets of the Fund during the period ended. The remuneration is paid to the Management Company monthly in arrears.
- 7.2 During the period, Sindh sales tax on management remuneration of Rs.1.71 million (June 30, 2023: Rs. 3.12 million) has been charged at the rate of 13% (June 30, 2023: 13%).

7.3 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

Accordingly, the Management Company has charged allocated expenses to the Fund based on its discretion subject to not being higher than actual expense incurred.

7.4 The SECP has allowed the Asset Management companies to charge selling and marketing expenses in all categories of open-end mutual funds upto a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, the Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

7.5 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 10.13 million is being retained in the condensed interim financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these condensed interim financial statements of the Fund, the net asset value of the Fund as at December 31, 2023 would have been higher by Rs 1.03 (June 30, 2023: Rs 0.81) per unit.

9.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.095% per annum of the daily net assets of the Fund, applicable to an "Equity Scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.095% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

#### 11 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at December 31, 2023 and June 30, 2023.

#### 12 TAXATION

The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains as reduced by such expense as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of the section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Since the fund profit for the period was set off by the accumulated losses carried forward, accordingly no provision for taxation has been made in these condensed interim financial statements.

#### 13 EARNINGS PER UNIT

Earnings per unit (EPU) has not been disclosed in these condensed interim financial statements as, in the opinion of the management, determination of the cumulative weighted average outstanding number of units for calculating EPU is not practicable.

#### 14 TOTAL EXPENSE RATIO

The annualised Total Expense Ratio (TER) of the Fund based on the current period result is 4.31% (2022: 4.46%) excluding government levies on the Fund such as provision for sales taxes, annual fee to the SECP etc. which are 0.50% (2022: 0.32%) representing government levies on the Fund. This ratio is with in the maximum limit of 4.5% (excluding government levies) prescribed under the NBFC Regulations for a collective investment scheme categorised as an "equity scheme".

#### 16 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradeable in an open market are revalued at market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

#### 16.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2023 and June 30, 2023 the Fund held the following assets measured at fair value:

# REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS TO THE UNIT HOLDERS

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah GHP Value Fund (the Fund) as at December 31, 2023 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund and condensed interim cash flow statement together with the notes forming part thereof (here-in-after referred to as the 'condensed interim financial statements'), for the half year ended December 31, 2023. The Management Company (Alfalah Asset Management Limited) is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. The figures included in the condensed interim income statement and condensed interim statement of comprehensive income for the quarter ended December 31, 2023 and December 31, 2022 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2023.

#### Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

#### Other matter

The condensed interim financial statements of the Fund for the half year ended December 31, 2022 and the financial statements for the year ended June 30, 2023 were reviewed and audited respectively by another firm of Chartered Accountants who had expressed an unmodified conclusion and opinion thereon vide their reports dated March 01, 2023 and September 28, 2023 respectively.

The Trust Deed was executed between Alfalah Asset Management Limited (formerly 'Alfalah GHP Investment Management Limited') (the 'Management Company') and Central Depository Company of Pakistan Limited, (the Trustee) on May 19, 2005 and was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), on May 13, 2005. The SECP approved the first Supplemental Trust Deed, under the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations), vide its letter No. NBFC/RS/AGIML/AGVF/200/2010 dated March 10, 2010 to modify and restate the previous Trust Deed to effectuate renaming of the Fund to Alfalah GHP Value Fund.

During the year ended June 30, 2021, the Trust Act, 1882 was repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). Accordingly, on September 13, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

- 1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies (Establishment and Regulation) Rules, 2003 through a certificate issued by the SECP on February 3, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.3 The Fund is categorised as an 'asset allocation scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.4 According to the Trust Deed, the objective of the Fund is to provide good total return through a combination of current income and long-term capital appreciation, consistent with reasonable investment risk in equity, debt and money market securities. The investment policy and objectives are explained in the Fund's offering document.
- 1.5 VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023 [June 30, 2023: AM2+ dated March 3, 2023 by Pakistan Credit Rating Agency Limited (PACRA)].
- 1.6 Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

#### 2 BASIS OF PREPARATION

#### 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34 'Interim Financial Reporting' issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

- 2.2 These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2023.
- 2.3 The comparative statement of assets and liabilities presented in these condensed interim financial statements has been extracted from the annual audited financial statements of the Fund for the year ended June 30, 2023, whereas the comparative condensed interim income statement, condensed interim statement of comprehensive income, condensed interim cash flow statement, and condensed interim statement of movement in unit holders' fund are extracted from the un-audited condensed interim financial statements for the half year ended December 31, 2022.
- 2.4 In compliance with Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company declare that these condensed interim financial statements give a true and fair view of the state of affairs of the Fund as at December 31, 2023.

#### 3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ESTIMATES AND JUDGEMENTS

- 3.1 The accounting policies adopted and the methods of computation of the of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2023.
- 3.2 The preparation of these condensed interim financial statements in conformity with the accounting and reporting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements of the Fund as at and for the year ended June 30, 2023.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2023.

## 3.3 Standards interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on July 1, 2023. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

#### 3.4 Standards interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on or after July 1, 2024. However, these will not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

5.1.3 The Finance Act, 2014 introduced amendments to the Income Tax Ordinance 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were only to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 Part I to the Second Schedule of the Income Tax Ordinance 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

During the year ended June 30, 2018, the Supreme Court of Pakistan passed a judgement on June 27, 2018 whereby the suits which are already pending or shall be filed in future must only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities is deposited with the authorities. Accordingly, the CISs were required to pay minimum 50% of the tax calculated by the tax authorities for the case to remain continued. The CISs failed to deposit the minimum 50% of the tax liability and accordingly the stay got vacated automatically during the year ended June 30, 2019. During the year ended June 30, 2020, the CISs had filed a fresh constitutional petition via CP 4653 dated July 11, 2019 in the Honourable High Court of Sindh. In this regard, on July 15, 2019, the Honourable High Court of Sindh had issued notices to the relevant parties and had ordered that no third party interest on bonus shares issued to the Funds in lieu of their investments be created in the meantime. The matter is still pending adjudication and the Funds have included these shares in their portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

Furthermore, the Finance Act, 2018 effective from July 1, 2018 has omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. Therefore, bonus shares issued to the Fund since July 1, 2018 have not been withheld by the investee companies.

As at December 31, 2023, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of bonus shares.

\* These carry face value Rs. 99,900 per certificate and have effective yield rate of 24.56% per annum.

5.4.1 This represents additional TFCs of Agritech Limited (Formerly Pak American Fertilizer Limited) received by the Fund through restructuring agreement reached between lender and Agritech Limited. Under such agreement, outstanding mark-up due on May 29, 2011 amounting to Rs. 7.61 million was settled in the form of zero coupon TFCs valuing Rs. 7.61 million. This investment has been recorded as 100% impaired since these securities have been received in lieu of suspended overdue mark-up to be recognised in income upon realisation. During the year, the Fund has received Rs 0.017 million against recovery of provided term finance certificate of Agritech Limited.

- 7.1 As per regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document, subject to the total expense ratio limit. The Management Company has charged remuneration at a rate of 2% (2022: 2%) of the average annual net assets of the Fund. The remuneration is paid to the Management Company on a monthly basis in arrears.
- **7.2** During the period, Sindh sales tax on management remuneration has been charged at the rate of 13% (December 31, 2022: 13%).
- 7.3 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

During the period, the Management Company has charged such expenses to the Fund at the rate of 0.10% (June 30, 2022: 0.10%) of the average net assets of the Fund which has been approved by the Board of Directors.

7.4 In accordance with the SECP's circular 11 dated July 5, 2019 the asset management companies are allowed to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) subject to the maximum limit approved by the Board of Directors as part of the annual plan.

During the current period, the Management Company has charged selling and marketing expenses to the Fund based on its own discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

7.5 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 01, 2016. However, as a matter of abundant caution, the provision for FED and the related sales tax made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 6.51 million is being retained in these condensed interim financial statements as the matter is pending before the Supreme Court of Pakistan. Had the provision for FED not been made, the Net Asset Value per unit of the Fund as at December 31, 2023 would have been higher by Rs 1.82 (June 30, 2023: Rs 1.20) per unit.

8.2 Sindh Sales Tax on remuneration payable to trustee has been charged at the rate of 13% (December 31, 2022: 13%).

#### 

9.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.095% per annum of the daily net assets of the Fund, applicable to an Asset Allocation Scheme. Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.095% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

#### 11 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments as at December 31, 2023 and June 30, 2023.

#### 12 TAXATION

The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains to the unit holders. The Fund is also exempt from the provisions of the section 113 (minimum tax) under clause 4A of Part IV of the Second Schedule of the Income tax Ordinance, 2001. Since the Management Company intends to distribute the income earned by the Fund for the year ending June 30, 2024 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these condensed interim financial statements.

#### 13 EARNINGS PER UNIT (EPU)

Earnings per unit has not been disclosed as in the opinion of the management determination of cumulative weighted average number of outstanding units for calculation of EPU is not practicable.

#### 17 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

17.1 The investments of the Fund in debt securities are valued on the basis of rates determined by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by SECP for valuation of debt securities. In the determination of the rates MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The investments of the Fund in government securities are valued on the basis of rates announced by the Financial Markets Association of Pakistan. The investment of the Fund in equity securities is valued on the basis of rates quoted on Stock Exchange. The estimated fair values of all other financial assets and liabilities are considered not to be significantly different from carrying values.

#### Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the assets or liability that are not based on observable market data (i.e. unobservable inputs).

As at 31 December 2023 and 30 June 2023, the Fund held the following financial instruments measured at fair values:

#### INDEPENDENT AUDITORS' REVIEW REPORT TO THE UNIT HOLDERS OF ALFALAH GHP PROSPERITY PLANNING FUND

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah GHP Prosperity Planning Fund (the Fund) as at December 31, 2023, and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund, condensed interim statement of cash flow and notes to the condensed interim financial statement for the six months condensed interim statement of cash low and notes of the condensed interim managers asteriment of the period ended December 31, 2023 (here-in-after referred to as the condensed interim financial statement). Alfalah Asset Management Limited (the Management Company) is responsible for the preparation and presentation of this condensed interim financial statement in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this condensed interim financial statement based on our review.

#### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Statement Performed by the Independent Auditor of the Entity". A review of condensed interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to both assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statement is not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The figures of the condensed interim income statement and condensed interim statement of comprehensive income, for the quarter ended December 31, 2023 have not been reviewed, as we are required to review only the cumulative figures for the six month's period ended December 31, 2023.

The condensed interim financial statement for the six months' period ended December 31, 2022 and the annual financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of chartered accountants, whose review report dated February 27, 2023 and audit report dated September 28, 2023, expressed an unmodified conclusion / opinion respectively.

The engagement partner on the review resulting in this independent auditor's review report is Arif Nazeer.

#### For Alfalah Asset Management Limited

(Management Company)

#### 1. LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Alfalah GHP Prosperity Planning Fund (the Fund) is an open-ended Fund constituted under a trust deed executed under the Trust Act, 1882 entered into on July 07, 2015 between Alfalah Asset Management Limited (formerly Alfalah GHP Investment Management Limited), the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Fund was registered by the Securities and Exchange Commission of Pakistan (SECP) under the Non Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) vide its letter No. SCD/SMCW/AGPPF/30/2015 dated July 30, 2015 and Offering Document was approved by SECP vide its letter No. SCD/AMCW/AGPPF/29/2015 dated July 30, 2015
- 1.2 The Trust Act, 1882 had been repealed due to the promulgation of Provincial Trust Act namely "Sindh Trust Act, 2020" (the Sindh Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan. The Fund was required to be registered under the Sindh Trust Act. Accordingly, on September 17, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.
- 1.3 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate issued by the SECP on Feb 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chambers of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.4 The Fund is categorised as a 'Fund of Funds' scheme pursuant to the provisions contained in Circular 7 of 2009 issued by the SECP and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.5 According to the trust deed, the objective of the Fund is to generate returns on investment as per the respective Allocation Plan by investing in collective investment schemes in line with the risk tolerance of the investor. The investment objectives and policy are explained in the Fund's offering document. Presently, the following allocation plans are offered:
  - a. Alfalah GHP Active Allocation Plan;
  - b. Alfalah GHP Conservative Allocation Plan; and
  - c. Alfalah GHP Moderate Allocation Plan.
- 1.6 The VIS Credit Rating Company Limited (VIS) has assigned an asset manager rating of AM1 (stable outlook) Dec 03, 2023 (March 03, 2022: AM2+ by PACRA) to the Management Company.
- 1.7 The title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

#### 2. BASIS OF PREPARATION

#### 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standards (IAS) 34, 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

- 2.2 The disclosures made in these condensed interim financial statements have, however, been limited based on the requirements of the IAS 34: 'Interim Financial Reporting'. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2023.
- 2.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at December 31, 2023.

### 3 MATERIAL ACCOUNTING POLICY INFORMATION, RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES AND JUDGEMENTS

- 3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2023.
- 3.2 The preparation of these condensed interim financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2023.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2023.

### 3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

During the period, the Company adopted Disclosure of Accounting Policies (Amendments to IAS 1) from January 01, 2023. The amendments require the disclosure of 'material', rather than 'significant', accounting policies. Although the amendments did not result in any changes to the accounting policies themselves.

### 3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2024. However, these are not expected to have any significant impact on the Fund's operations and, therefore, have not been detailed in these condensed interim financial statements.

- 7.1 The Management Company has charged remuneration at the rate of 1% (June 2023: 1%) of average annual net assets of the Fund during the year. However, no remuneration is charged on that part of the net assets which has been invested in the mutual funds managed by the Management Company. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 7.2 During the period, an amount of Rs. 1,453 (June 2023: Rs 5,005) was charged on account of sales tax on management fee at the rate of 13% (June 2023: 13%) per annum levied through the Sindh Sales Tax on Services Act. 2011.
- 7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 0.023 million is being retained in the condensed interim financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these condensed interim financial statements of the Fund, the net asset value of the Fund as at December 31, 2023 would have been higher by Rs 0.0113 per unit (June 30, 2023: Rs 0.0114 per unit), Rs 0.0032 per unit (June 30, 2023: Rs 0.0032 per unit) and Rs 0.0545 per unit (June 30, 2023: Rs 0.0308 per unit) for Active Allocation Plan, Conservative Allocation Plan and Moderate Allocation Plan respectively.

7.4 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

Accordingly, the Management Company has charged allocated expenses to the Fund based on its discretion subject to not being higher than the actual expense incurred.

9.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.075% per annum of the daily net assets of the Fund, applicable to an "Fund of Fund Scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.075% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

#### 16. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradeable in an open market are revalued at market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

#### 16.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2023 and June 30, 2023 the Fund held the following financial instruments measured at fair values:

### REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS TO THE UNIT HOLDERS

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of **Alfalah Consumer Index Exchange Traded Fund** (the Fund) as at December 31, 2023 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund and condensed interim cash flow statement together with the notes forming part thereof (here-in-after referred to as the 'condensed interim financial statements'), for the half year ended December 31, 2023. The Management Company (Alfalah Asset Management Limited) is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. The figures included in the condensed interim income statement and condensed interim statement of comprehensive income for the quarter ended December 31, 2023 and December 31, 2022 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2023.

#### Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

#### 1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah Consumer Index Exchange Traded Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Sindh Trust Act, 2020, executed between Alfalah Asset Management Limited [the Management Company] and Central Depository Company of Pakistan Limited, (the Trustee). The Trust Deed was executed on August 24, 2021, and was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the NBFC (Establishment and Regulation) Rules, 2003 (NBFC Rules).

The Fund commenced its operations from January 17, 2022. The Fund is categorised as a 'Exchange Traded Fund (ETF)' and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund. The par value per unit of the Fund is Rs. 10. The title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.

- 1.2 The Fund is a hybrid type of Fund having features of both open and closed end funds. A new concept of "Authorised Participants "APs" has been introduced who will act as market makers. The Management Company will only have contact with the APs for issuance and redemption of units. The units of the Fund are tradable in the Pakistan Stock Exchange Limited (PSX). The APs to whom the units are issued may either keep the units with themselves or trade in the PSX. Consequently, upon trading, the holder of the units keeps on changing. Moreover, on issuance and redemption of units, the basket of shares will be exchanged between AP and Management Company and cash will be paid / received if there is a difference in the applicable net asset value of a creation unit and the market value of the portfolio deposit.
- 1.3 The Fund aims to provide investors an opportunity to track the performance of Alfalah Consumer Index (ACI) that has been constituted and is maintained by the Management Company, and comprises of consumer focused companies upto a maximum of 20 stocks.
- 1.4 VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023 [June 30, 2023: AM2+ dated March 3, 2023 by Pakistan Credit Rating Agency Limited (PACRA)].
- 1.5 Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

#### 2 BASIS OF PREPARATION

#### 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the requirements of International Accounting Standard (IAS 34), Interim Financial Reporting, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

- 2.2 The disclosures made in these condensed interim financial statements are limited based on the requirements of the International Accounting Standard (IAS 34), Interim Financial Reporting. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2023.
- 2.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at and for the half year ended December 31, 2023.
- 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, ACCOUNTING ESTIMATES, JUDGEMENTS AND RISK MANAGEMENT POLICIES
- 3.1 The accounting policies applied and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the year ended June 30, 2023.
- 3.2 The preparation of the condensed interim financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the year ended June 30, 2023.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the year ended June 30, 2023.

### 3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these do not have any material impact on the Fund's financial statements and, therefore, have not been detailed in these condensed interim financial statements.

### 3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards, interpretations and amendments to the accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2024. However, the new standards, interpretations and amendments to the approved accounting standards will not have any material impact on the Fund's financial statements in the period of adoption and, therefore, have not been detailed in these condensed interim financial statements.

4.1 These accounts carry profit rates ranging between 20.50% to 21.85% (June 30, 2023: 19.5% to 22.95%) per annum. These include bank balance of Rs. 0.135 million (June 30, 2023: Rs. 0.126 million) which is maintained with Bank Alfalah Limited (a related party), carrying profit at the rate of 20.85% (June 30, 2023: 22.95%) per annum.

10.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.095% per annum of the daily net assets of the Fund, applicable to an "Exchange Traded Scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.095% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

#### 12 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at December 31, 2023 and June 30, 2023.

#### 13 TOTAL EXPENSE RATIO

The annualised Total Expense Ratio (TER) of the Fund as at December 31, 2023 is 2.74% (December 31, 2022: 2.07%) which includes 0.25% (December 31, 2022: 0.04%) representing government levies on the Fund such as sales taxes, fee to the SECP etc. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an 'Index Scheme'.

#### 14 TAXATION

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. The Fund has not recorded any tax liability in respect of income relating to the current period as the Management Company intends to distribute at least 90 percent of the Fund's accounting income for the year ending June 30, 2024 as reduced by capital gains (whether realised or unrealised) to its unit holders.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of part IV of the Second Schedule of the Income Tax Ordinance, 2001.

#### 18 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the reporting date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

#### 18.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2023 and June 30, 2023, the Fund held the following financial instruments measured at fair values:

#### REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS TO THE UNIT HOLDERS

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah Stable Return Fund (the Fund) as at December 31, 2023 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund and condensed interim cash flow statement together with the notes forming part thereof (here-in-after referred to as the 'condensed interim financial statements'), for the half year ended December 31, 2023. The Management Company (Alfalah Asset Management Limited) is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. The figures included in the condensed interim income statement and condensed interim statement of comprehensive income for the quarter ended December 31, 2023 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2023.

#### Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

#### 2 BASIS OF PREPARATION

#### 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of:

 International Accounting Standards (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;

- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.
- 2.2 Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the requirements of International Accounting Standard (IAS 34), Interim Financial Reporting, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.
- 2.3 The disclosures made in these condensed interim financial statements are limited based on the requirements of the International Accounting Standard (IAS 34), Interim Financial Reporting. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2023.
- 2.4 These condensed interim financial statements are unaudited. However, a limited scope review has been performed by the statutory auditors. In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company declare that these condensed interim financial statements give a true and fair view of the state of affairs of the Fund as at and for the half year ended December 31, 2023.
- 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, ACCOUNTING ESTIMATES, JUDGMENTS AND RISK MANAGEMENT POLICIES
- 3.1 The accounting policies applied and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Fund for the for the year ended June 30, 2023.
- 3.2 The preparation of the condensed interim financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires management to make estimates, assumptions and use judgments that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision. In preparing the condensed interim financial statements, the significant judgments made by the management in applying the Fund's accounting policies and the key sources of estimation and uncertainty were the same as those applied to the financial statements as at and for the year ended June 30, 2023. The Funds' financial risk management objectives and policies are consistent with those disclosed in the annual financial statements of the Fund for the year ended June 30, 2023.
- 3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these do not have any material impact on the Fund's financial statements and, therefore, have not been detailed in these condensed interim financial statements.

3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards, interpretations and amendments to the accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2024. However,

the new standards, interpretations and amendments to the approved accounting standards will not have any material impact on the Fund's financial statements in the period of adoption and, therefore, have not been detailed in these condensed interim financial statements.

10.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.075% per annum of the daily net assets of the Fund, applicable to an "Fixed Rate Scheme".

Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.075% per annum of the daily net assets during the period. Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

#### 12 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at December 31, 2023 and June 30, 2023.

#### 13 TOTAL EXPENSE RATIO

The annualised Total Expense Ratio (TER) of ASRP - I, ASRP - II, ASRP - V, ASRP - VI, ASRP - VII and ASRP - VIII for the period ended December 31, 2023 is 0.87%, 0.71%, 1.63%, 1.49%, 1.72% and 1.48% (December 31, 2022: 0.76% of ASRP - I and 0.60% of ASRP - II ) which includes 0.14%, 0.14%, 0.1%, 0.18%, 0.18% and 0.18% (December 31, 2022: 0.08% of ASRP - I and 0.08% of ASRP - II) representing government levies on the Fund such as sales taxes, fee payable to the SECP etc. This ratio is within the maximum limit of 2% prescribed under the NBFC Regulations for a collective investment scheme categorised as a 'Fixed Rate Scheme'.

#### 14 TAXATION

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. The Fund has not recorded any tax liability in respect of income relating to the current period as the Management Company intends to distribute at least 90 percent of the Fund's accounting income for the year ending June 30, 2024 as reduced by capital gains (whether realised or unrealised) to its unit holders.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of part IV of the Second Schedule of the Income Tax Ordinance, 2001.

#### 15 EARNINGS PER UNIT

Earnings per unit (EPU) has not been disclosed in these condensed interim financial statements as, in the opinion of the management, determination of the cumulative weighted average outstanding number of units for calculating EPU is not practicable.

#### 16 TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

#### 17 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at market prices prevailing on the reporting date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

#### 17.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2023 and June 30, 2023 the Fund held the following financial instruments measured at fair values:

# REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS TO THE UNIT HOLDERS

### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah GHP Dedicated Equity Fund (the Fund) as at December 31, 2023 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund and condensed interim cash flow statement together with the notes forming part thereof (here-in-after referred to as the 'condensed interim financial statements'), for the half year ended December 31, 2023. The Management Company (Alfalah Asset Management Limited) is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. The figures included in the condensed interim income statement and condensed interim statement of comprehensive income for the quarter ended December 31, 2023 and December 31, 2022 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2023.

# Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

# Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

### 1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Dedicated Equity Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Sindh Trust Act, 2020, executed between Alfalah Asset Management Limited [the Management Company] and Central Depository Company of Pakistan Limited, (the Trustee). The Trust Deed was executed on August 24, 2021, and was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the NBFC (Establishment and Regulation) Rules, 2003 (NBFC Rules), on June 8, 2021.

The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non-Banking Financing Companies (Establishment and Regulations) Rules, 2003 (NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations) through a certificate issued by the SECP on February 23, 2023 which is valid for the period of three years w.e.f. March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry and Agricultural Building, 2nd Floor, ST 2/A, Block 9, KDA Scheme 5, Clifton, Karachi.

- 1.2 The Fund commenced its operations from November 28, 2022. The Fund is categorised as a 'Dedicated Equity Fund (DEF)' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.3 The objective of the Fund is to provide equity exposure to "Fund-of-Funds". The Fund will not be actively marketed to retail or institutional investors, therefore, the Fund size may decline to zero when there are no "Fund-of-Funds' invested in the Fund. At any time when the Fund size declines to zero, the expenses of the Fund will be bourne by the Management Company.
- 1.4 VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023 [June 30, 2023: AM2+ dated March 3, 2023 by Pakistan Credit Rating Agency Limited (PACRA)].
- 1.5 Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

  - Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of repealed Companies Ordinance, 1984; and
  - Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.
- 2.2 Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the requirements of International Accounting Standard (IAS 34), Interim Financial Reporting, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

- 2.3 The disclosures made in these condensed interim financial statements are limited based on the requirements of the International Accounting Standard (IAS 34), Interim Financial Reporting. These condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2023.
- 2.4 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that these condensed interim financial statements give a true and fair view of the state of the Fund's affairs as at and for the half year ended December 31, 2023.

# 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, ACCOUNTING ESTIMATES, JUDGEMENTS AND RISK MANAGEMENT POLICIES

- 3.1 The accounting policies applied and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the financial statements of the Fund for the period ended June 30, 2023.
- 3.2 The preparation of the condensed interim financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant estimates, judgments and assumptions made by the management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those that were applied in the audited annual financial statements as at and for the period ended June 30, 2023.

The financial risk management objectives and policies are consistent with those disclosed in the annual published audited financial statements of the Fund for the period ended June 30, 2023.

# 3.3 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these do not have any material impact on the Fund's financial statements and, therefore, have not been detailed in these condensed interim financial statements.

### 3.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards, interpretations and amendments to the accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2024. However, the new standards, interpretations and amendments to the approved accounting standards will not have any material impact on the Fund's financial statements in the period of adoption and, therefore, have not been detailed in these condensed interim financial statements.

5.1.1 The Finance Act, 2014 introduced amendments to the Income Tax Ordinance, 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were only to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including the bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the Honourable High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 Part I to the Second Schedule to the Income Tax Ordinance, 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

During the year ended June 30, 2018, the Honourable Supreme Court of Pakistan passed a judgement on June 27, 2018 whereby the suits which are already pending or shall be filed in future must only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities is deposited with the authorities. Accordingly, the CISs were required to pay minimum 50% of the tax calculated by the tax authorities for the case to continue. The CISs failed to deposit the minimum 50% of the tax liability and accordingly the stay got vacated automatically during the year ended June 30, 2019. The CISs have filed a fresh constitutional petition vide CP 4653 dated July 11, 2019 and on July 15, 2019, the Honourable High Court of Sindh has issued notices to the relevant parties and has ordered that no third party interest on bonus shares, issued to the Funds in lieu of their investments, be created in the meantime. The matter is still pending adjudication and the Fund has included these shares in their portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

Further, the Finance Act, 2018 effective from July 1, 2018 had omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. As at December 31, 2023, the bonus shares of the Fund withheld by certain companies at the time of declaration of bonus shares amounted to Rs. 0.0029 million (June 30, 2023: Rs. 0.0021 million).

As at December 31, 2023, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of the bonus shares.

# 18 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the reporting date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

# 18.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2023 and June 30, 2023, the Fund held the following financial instruments measured at fair values:

| //                                      |            | December 31, 2023 (Un-audited) |              |            |  |  |

# REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS TO THE UNIT HOLDERS

### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah Financial Value Fund (the Fund) as at December 31, 2023 and the related condensed interim income statement, condensed interim statement of movement in unit holders' fund and condensed interim cash flow statement together with the notes forming part thereof (here-in-after referred to as the 'condensed interim financial statements'), for the period from October 19, 2023 to December 31, 2023. The Management Company (Alfalah Asset Management Limited) is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

# Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

# 1. LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Alfalah Financial Value Fund (the Fund) was established under a Trust Deed executed between Alfalah Asset Management Limited Company as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The offering document was executed on October 12, 2023 under Sindh Trusts Act, 2020 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). The Management Company has been granted license by the SECP to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP.
- 1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.3 The Fund is categorized as a Open End Asset Allocation Scheme pursuant to the provisions contained in Circular 7 of 2009 issued by the SECP and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.4 According to the Trust Deed, the investment objective of the Fund is to seek long term capital appreciation through investments in equity stock, fixed income, money market, bank deposits primarily from the financial sector/segment/industry and any other instrument as defined in offering documents.
- 1.5 VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023.
- 1.6 Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.
- 1.7 As per the offering document approved by the SECP, the accounting period, in case of the first such period, shall commence from the date on which the trust property is first paid or transferred to the Trustee. Accordingly, these financial statements have been prepared from October 19, 2023.
- 1.8 These are the first condensed interim financial statements of the Fund for the period from October 19, 2023 to December 31, 2023, therefore, comparative figures have not been presented.

# 2 BASIS OF PREPARATION

# 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

This condensed interim financial information is unaudited. However, a limited scope review has been performed by the statutory auditors. In compliance with schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at December 31, 2023.

# 2.2 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2024. However, these are not expected to have any material impact on the Fund's financial statements and, therefore, have not been detailed in these condensed interim financial statements.

### 2.3 Critical accounting estimates and judgments

The preparation of the condensed interim financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgements and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates, judgments and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the financial statements are as follows:

- Classification and valuation of financial assets (notes 3.2.2 and 5)
- Impairment of financial assets (note 3.2.3)

# 2.4 Accounting Convention

These financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value.

# 2.5 Functional and presentation currency

Items included in these condensed interim financial statements are measured using the currency of the primary economic environment in which the Fund operates. These condensed interim financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

# 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, ACCOUNTING ESTIMATES, JUDGEMENTS AND RISK MANAGEMENT POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below.

### 3.1 Cash and cash equivalents

These comprise balances with banks in savings and current accounts, cheques in hand and other shortterm highly liquid investments with original maturities of three months or less.

#### 3.2 Financial assets

### 3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

### 3.2.2 Classification and subsequent measurement

### a) Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost
- at fair value through other comprehensive income (FVOCI) at fair value through profit or loss (FVTPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

# b) Other financial assets

These are recognised initially at the amount of consideration that is unconditional, unless they contain significant financing components when they are recognised at fair value. They are subsequently measured at amortised cost using the effective interest method, less impairment.

# 3.2.3 Impairment

The Fund assesses on a forward looking basis the expected credit loss (ECL) associated with it's financial assets carried at amortised cost and FVOCI. The Fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes:
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

### 3.2.3.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the "Income Statement".

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has also been placed on the Management Company's website as required under the SECP's Circular.

### 3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

# 3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all the risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

### 3.3 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

# 3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

# 3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions, if any are regularly reviewed and adjusted to reflect the current best estimate.

# 3.6 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the period end.

# 3.7 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to investment facilitators, distributors and Management Company.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receive redemption applications during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

### 3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

# 3.9 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net asset value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

# 3.10 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement, on the date when the transaction takes place.
- Unrealised gains / (losses) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise.
- Income on Government of Pakistan ijara sukuks, TFCs and Market T-Bills is recognised on a time proportionate basis using the effective yield method, except for the securities which are classified as Non-Performing Asset under Circular No. 33 of 2012 issued by the SECP for which the profits are recorded on cash basis
- Interest income on bank balances is recognised on an accrual basis.

# 3.11 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company ,Trustee and annual fee of SECP are recognised in the Income Statement on an accrual basis.

# 3.12 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over a period of 5 years in accordance with the requirements set out in the Trust Deed of the Fund.

### 3.13 Taxation

#### Curron

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates

# Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on substantively enacted tax rates.

# 3.14 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / loss for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

#### 19 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

#### 19.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

The Management Company manages the market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by Investment Committee and the regulations laid down by the SECP.

Market risk comprises of three types of risks: currency risk, profit rate risk and price risk.

#### 19.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

#### 19.1.2 Interest Rate/Profit rate risk

Interest rate/Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. The profit rate profile of the Fund's profit bearing financial instruments is as follows:

|  | December 31,<br>2023 |
|--|----------------------|
|  | (Un-audited)         |
| Variable rate instruments (financial assets) | (Rupees)             |
| Bank balances                                | 701,663,228          |
| Term Finance Certificates                    | 585,663,796          |
|  | 1,287,327,024        |

#### a) Sensitivity analysis for variable rate instruments

A reasonably possible change of 100 basis points in profit rates at the reporting date would have increased / decreased the "Income Statement" and "Statement of Comprehensive Income" by Rs 12.87 Million and consequently statement of movement in unit holders' fund would be affected by the same amount. The analysis assumes that all other variables remain constant.

#### b) Sensitivity analysis for fixed rate instruments

A reasonably possible change of 100 basis points in profit rates at the reporting date would have increased / decreased the "Income Statement" and "Statement of Comprehensive Income" by Rs 0.38 Million and consequently statement of movement in unit holders' fund would be affected by the same amount. The analysis assumes that all other variables remain constant.

#### Fixed rate instruments (financial assets)

Government of Pakistan Ijara sukuks

37,647,953

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of December 31, 2023 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at December 31, 2023 can be determined as follows:

|                                       |                       | Exposed to profit rate risk |   |                    | N . 4                                 |               |

#### 19.1.3 Price risk

Cumulative profit rate sensitivity gap

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

#### 19.2 Credit risk

Credit risk represents the risk of a loss if counterparties fail to perform as contracted and arises principally from bank balances, security deposits and dividend and profit receivable,

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

#### 19.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

|                   | December 31, 202 | December 31, 2023 (Un-audited) |  |  |

Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in GOP Ijarah Sukuks of Rs. 37.65 million are not exposed to credit risk.

No financial assets were considered to be either past due or impaired at December 31, 2023.

#### 19.2.2 Credit quality of financial assets

The Fund held bank balances at December 31, 2023 with banks having following credit ratings:

| Banks                              | Rating Agency | Rating<br>(Short Term /<br>Long Term) | 2023 % of bank balances exposed to credit risk |

Above ratings are on the basis of available ratings assigned by PACRA as of December 31, 2023.

#### 19.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect the groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Funds' portfolio of financial instruments is mainly held with various banks and securities issued by the entities having reasonably high credit rating.

#### 19.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current period.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the period.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

#### 20 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

#### 20.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2023, the Fund held the following financial instruments measured at fair values:

|   | December 31, 2023 (Un-audited) |             |         |             |
|---|--------------------------------|-------------|---------|-------------|
| . /                                     | Level 1                        | Level 2     | Level 3 | Total       |
| At fair value through profit or loss    |                                | (Rupe       | es)     |             |
| Investment in GOP Ijarah Sukuks         | 37,647,953                     | -           | -       | 37,647,953  |
| Investment in Term Finance Certificates | 4                              | 585,663,796 | - 10    | 585,663,796 |
|   | 37,647,953                     | 585,663,796 | -       | 623,311,749 |

During the period from October 19, 2023 to December 31, 2023, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

# REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS TO THE UNIT HOLDERS

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Alfalah Financial Sector Income Fund (the Fund) as at December 31, 2023 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in unit holders' fund and condensed interim cash flow statement together with the notes forming part thereof (here-in-after referred to as the 'condensed interim financial statements'), for the period from August 2, 2023 to December 31, 2023. The Management Company (Alfalah Asset Management Limited) is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. The figures included in the condensed interim income statement and condensed interim statement of comprehensive income for the quarter ended December 31, 2023 have not been reviewed, as we are required to review only the cumulative figures for the period ended December 31, 2023.

#### Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

#### 1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Alfalah Financial Sector Income Fund (the Fund) was established under a Trust Deed executed between Alfalah Asset Management Limited Company as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The offering document was executed on March 4, 2023 under Sindh Trusts Act, 2020 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). The Management Company has been granted license by the SECP to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP.
- 1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.3 The Fund is categorized as a Income Scheme pursuant to the provisions contained in Circular 7 of 2009 issued by the SECP and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.4 Alfalah Financial Sector Income Fund (AFSIFP-I) is an Open-ended Fund. The objective of the Fund is to deliver returns by investing mainly in mix of short to long term Government Securities and other debt instruments. The investment objectives and policy are more fully explained in the Fund's offering document.
- 1.5 VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023. PACRA has assigned the stability rating to the Fund at A+(f) on December 28, 2023.
- 1.6 Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.
- 1.7 As per the offering document approved by the SECP, the accounting period, in case of the first such period, shall commence from the date on which the trust property is first paid or transferred to the Trustee. Accordingly, these condensed interim financial statements have been prepared from August 2, 2023.
- 1.8 These are the first condensed interim financial statements of the Fund for the period from August 2, 2023 to December 31, 2023, therefore, comparative figures have not been presented.

#### 2 BASIS OF PREPARATION

#### 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Accounting Standard (IAS) 34, 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

This condensed interim financial information is unaudited. However, a limited scope review has been performed by the statutory auditors. In compliance with schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at December 31, 2023.

# 2.2 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2024 but are considered not to be relevant or will not have any material effect on the Fund's condensed interim financial statements and are, therefore, not detailed in these condensed interim financial statements.

#### 2.3 Critical accounting estimates and judgments

The preparation of these condensed interim financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments, and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in the application of its accounting policies. The estimates, judgments, and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about the carrying values of assets and liabilities. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the condensed interim financial statements are as follows:

- Classification and valuation of financial assets (notes 3.2.2 and 5); and
- Impairment of financial assets (note 3.2.2.1 and 3.2.3)

#### 2.4 Accounting convention

These condensed interim financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value

#### 2.5 Functional and presentation currency

Items included in these condensed interim financial statements are measured using the currency of the primary economic environment in which the Fund operates. These condensed interim financial statements are presented in Pakistan Rupee, which is the Fund's functional currency.

#### 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these condensed interim financial statements are set out below.

#### 3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value.

#### 3.2 Financial assets

#### 3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

#### 3.2.2 Classification and subsequent measurement

#### 3.2.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVTPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

#### 3.2.3 Impairment

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

#### 3.2.3.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the "Income Statement".

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has also been placed on the Management Company's website as required under the SECP's Circular.

#### 3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

#### 3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

#### 3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

#### 3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

#### 3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

#### 3.6 Taxation

#### Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

#### Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is

calculated at the rates that are expected to apply to the period when the differences reverse based on

#### 3.7 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over the period lower of 5 years or maturity of fund in accordance with the requirements set out in the Trust Deed of the Fund.

#### 3.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors / Management Company during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load and any provision for duties and charges, if applicable. The sales load is payable to investment facilitators, distributors and the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors / Management Company receive redemption applications during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, and charges on redemption, if applicable.

#### 3.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes a portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

# 3.10 Element of income / (loss) and capital gains / (losses) included in the prices of units issued less those in units redeemed

Element of income represents the difference between net asset value per unit on the issuance or redemption date, as the case may be, of units and the net asset value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

#### 3.11 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

#### 3.12 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the "Income Statement" at the date on which the transaction takes place.
- Unrealised appreciation / diminution arising on remeasurement of investments classified at fair value through profit or loss are recorded in the period in which these arise.

- Income on Market treasury bills, Term finance certificates, Pakistan investments bonds, and Government
  of Pakistan ijara sukuks is recognized on a time proportionate basis using the effective yield method,
  except for the securities which are classified as Non-Performing Asset under Circular No. 33 of 2012
  issued by the SECP for which the profits are recorded on cash basis.
- Interest income on bank balances is recognised on an accrual basis.

#### 3.13 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee to the SECP are recognised in the "Income Statement" on an accrual basis.

#### 3.14 Earnings per unit

Earnings per unit is calculated by dividing the net income for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

#### 3.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

#### FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

#### 19.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, yield / interest rate risk and price risk.

#### 19.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

#### 19.1.2 Yield / Interest rate risk

Yield / Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The interest rate profile of the Fund's interest bearing financial instruments, as at December 31, 2023, is as follows:

#### a) Sensitivity analysis for variable rate instrument

A reasonably possible change of 100 basis points in profit rates at the reporting date would have increased/decreased the income statement and statement of comprehensive income by Rs 38.79 million and consequently, the statement of movement in unit holders' fund would be affected by the same amount. The analysis assumes that all other variables remain constant.

Bank balances Pakistan Investment Bonds Term Finance Certificates 2,765,137,463 809,365,500 305,000,000 3,879,502,963

#### b) Sensitivity analysis for fixed rate instrument

As at December 31, 2023, the Fund holds GOP Ijara sukuks which are classified as financial assets 'at fair value through profit or loss' exposing the Fund to fair value interest rate risk. In case of 100 basis points increase / decrease in interest rates and with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs. 1.13 million. The analysis assumes that all other variables remain constant.

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of December 31, 2023 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at December 31, 2023 can be determined as follows:

#### 19.1.3 Price risk

Cumulative interest rate sensitivity gap

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

#### 19.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

#### 19.2.1 Exposure to credit risk

The maximum exposure to credit risk before any credit enhancement as at December 31, 2023 is the carrying amount of the financial assets. Difference in the balance as per statement of assets and liabilities and maximum exposure to credit risk is due to the fact that investment in Government Ijara Sukuk, Treasury Bills and Pakistan Investment Bonds amounting to Rs. 1.299 billion is not exposed to credit risk.

No financial assets were considered to be past due or impaired at December 31, 2023.

#### 19.2.2 Credit quality of financial assets

Above ratings are on the basis of available ratings assigned by PACRA as of December 31, 2023.

#### 19.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors affect the group of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk, the Fund has entered into transactions with credit worthy counterparties thereby mitigating any significant risk due to concentration of credit risk.

#### 19.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

#### 20. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

#### 20.1. Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at December 31, 2023, the Fund held the following financial instruments measured at fair values:

At fair value through profit or loss Market Treasury Bills Government of Pakistan Ijara Sukuk Pakistan Investment Bonds Term Finance Certificates
